2016 CONSUMER ELECTRONICS

THE NEW GENERATION IN TECHNOLOGY

Corporate Mission

Naxa Electronics designs and distributes personal electronics that entertain and delight at a reasonable price. Naxa delivers products that stand out for retail and wholesale distribution in all market segments and channels.

Our product development team brings items to market that consumers demand by embracing the latest innovations in both technology and design. We are committed to responding to the needs of our users and our partners.

We are dedicated to providing unequalled service. Our management team and staff do everything within their power to satisfy all needs and requests. We've expanded our sales support team to ensure that users and partners receive courteous, positive, and prompt communication at all times.

As part of our drive to continuously improve and expand services, we implemented an Enterprise Resource Planning system in 2011. We have also expanded our corporate office and warehouse facility in Vernon, California—just a few short miles from downtown Los Angeles. The new office and warehouse complex together with our updated systems and overseas subsidiaries have expanded our global footprint. We now have the capability to provide worldwide the high level of sales and support that our customers have come to expect.

For years, we have delivered top notch personal electronics and services. Naxa Electronics is positioned well to continue delivering exciting products and services today and into the future.

Core™ Tablets

Core™ tablets from Naxa® Electronics are purpose-built for entertainment. With support for a wide range of digital formats and powerful processors, Naxa Core™ tablets are sure to be a hit.

Arriving for 2016 are Naxa Core™ tablets with Windows® 10 and Intel® quad core processors that will power all the latest apps. For the ultimate in portable entertainment, look for the Naxa® NID-9004 which adds a DVD player to a 9” tablet.

Naxa Core™ tablets with Android™ OS 5.1 are available in 7, 9, and 10.1 inch sizes and have the latest features. They are ready to connect to the latest Bluetooth® 4.0 devices, and make for the perfect media tablet or remote for a Chromecast™ device to enjoy high definition movies from the comfort of your sofa.

NID-9003

NID-1002

NID-9004

Naxa Core™ tablets support memory cards for additional storage, and have front and rear cameras for videoconferencing and photography apps.

Sound Bars & Tower Speakers

One of the great success stories in consumer electronics has been wireless Bluetooth® technology. Consumers have snatched up Bluetooth enabled products in great numbers because they make it so easy to enjoy music without unsightly cables or expensive docking stations that need to be replaced. However, the setup and pairing process with Bluetooth has always been a pain despite our best efforts.

Until now.

Naxa Electronics is introducing 1-touch setup for Bluetooth with NFC. When you see a Naxa speaker with the NFC emblem; that means you can connect wirelessly to that speaker within seconds. Simply touch the back of your smartphone, tablet, or other Bluetooth and NFC enabled device to the emblem, and voilà! Instant. Audio. Nirvana. No more pin numbers and complicated menus that get in the way of your music. Naxa 1-touch Setup is just that easy!

* iOS does not currently work with NFC setup.

NHS-2006

37” TV Sound Bar with Bluetooth®

- A 37” wireless sound bar system with 1-touch Setup for Bluetooth® with NFC
- Two full-range drivers deliver 20W RMS total output power
- Connect to music players wirelessly with Bluetooth® technology
- Use NFC to set up a wireless connection in seconds—simply touch the back of your smartphone, tablet, or other Bluetooth and NFC enabled device to the speaker*
- Input: Optical digital audio, RCA stereo audio, 3.5mm AUX audio
- Wall mount or desktop installation
- Accessories included: Remote control, AC power adapter, Wall mount screws, RCA stereo cable, 3.5mm AUX cable
- Power: AC 100-240V adapter

* Device must be equipped with Bluetooth and NFC technology. iOS does not currently work with NFC setup.

Audio

Naxa Electronics has a proud history of serving the audio needs of its customers. From traditional boomboxes updated with wireless Bluetooth and MP3 playback, as well as harder-to-find cassette players, Naxa keeps things current while still honoring the past.

As the world continues to go digital and portable, Naxa has an expanded line of portable Bluetooth speakers. Flexible wired and wireless connection options, built-in MP3 playback from memory cards, and built-in rechargeable batteries are just some of the standout features you'll find. From small travel speakers all the way to powerful speakers with built-in subwoofers, Naxa has exactly what you're looking for.

Naxa also offers portable MP3, video, and CD players, as well as bookshelf and executive micro systems. You can count on Naxa to deliver the products you want and need.

Boomboxes with Bluetooth®

Make yourself heard. Connect a microphone (or two) and you'll be ready to toast 'em and roast 'em.

Turn it up to get down anywhere. The built-in subwoofer with matched high-power drivers gets low and loud.

It's not a party until the music starts. *Get it going (and keep it going!) with 10 replaceable D batteries.*

NPB-262

MP3/CD Bass Reflex Boombox & PA System with Bluetooth®

- A big boombox that delivers bass you can feel, with wireless Bluetooth and two microphone connectors
- Stream music wirelessly from smartphones, tablets, and other Bluetooth enabled devices
- Color light effects get the party going
- Plays CD, CD-R/RW, and MP3 discs
- Built-in MP3 playback from USB memory sticks
- Use as a portable and powerful PA system or amp with two 6.3mm connectors for microphones or guitars
- Additional features: AM/FM radio with preset tuning, 3.5mm AUX input
- Accessories included: Remote control, AC power cable
- Power: AC 100-240V, 10 x D batteries (not included)

NPB-266

MP3/CD Boombox with Bluetooth®

- Stream music wirelessly from smartphones, tablets, and other Bluetooth® enabled devices
- Plays CD, CD-R/RW, and MP3 discs
- Built-in MP3 playback from USB memory sticks
- 3.5mm AUX input connector for music players without Bluetooth®
- AM/FM radio with digital preset tuning
- Accessories included: AC power cable
- Power: AC 110/220 V, 8 x D batteries (not included)

LED Light Illumination

NPB-261

MP3/CD Boombox with Bluetooth®

- A boombox that plays MP3s and CDs and can stream music wirelessly from Bluetooth® devices
- Stream music wirelessly from smartphones, tablets, and other Bluetooth enabled devices
- Plays CD, CD-R/RW, and MP3 discs
- Built-in MP3 playback from USB memory sticks
- 3.5mm AUX input connector for music players without Bluetooth
- Additional features: AM/FM radio with preset tuning, headphone out
- Accessories included: Remote control, AC power cable
- Power: AC 110-220V adapter, 8 x D batteries (not included)

NPB-267

MP3/CD Boombox with Bluetooth®

- Stream music wirelessly from smartphones, tablets, and other Bluetooth® enabled devices
- Plays CD, CD-R/RW, and MP3 discs
- Built-in MP3 playback from USB memory sticks
- 3.5mm AUX input connector for music players without Bluetooth®
- AM/FM radio
- Accessories included: AC power cable
- Power: AC 110/220V, 6 x C batteries (not included)

NPB-270

CD Boombox with Bluetooth®

- A compact CD boombox with Bluetooth® and FM radio.
- Play CD and CD-R/RW discs
- Stream music wirelessly from smartphones, tablets, and other Bluetooth® enabled devices
- FM radio tuner
- 3.5mm AUX input connector for music players without Bluetooth
- Accessories included: AC power cable
- Power: AC 120V, 6 x C batteries (not included)

MP3/CD Boomboxes

NPB-258

MP3/CD Party Boombox and USB/SD Player

- A CD boombox with LED party lights and USB, SD, and MP3 playback
- Multi-color LED light effects on the front speakers
- Plays CD, CD-R/RW, and MP3 discs
- Plays MP3 files directly from USB memory sticks and SD cards
- AM/FM radio with digital preset tuning
- 3.5mm AUX audio input and headphone output
- Accessories included: Remote control, AC power cord
- Power: AC 110/220V or 8 x D batteries (not included)

5 Preset Light Settings

NPB-259

Portable MP3/CD AM/FM Stereo Radio Cassette Player/Recorder with Subwoofer and USB Input

- A modern CD/cassette boombox with USB & MP3 playback
- Plays CD, CD-R/RW, and MP3 discs
- Plays and records to cassette tapes
- Plays MP3 files directly from USB memory sticks
- AM/FM radio
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Accessories included: Remote control, AC power cord
- Power: AC 110/220V or 8 x D batteries (not included)

NPB-257

Portable MP3/CD Player, AM/FM Stereo Radio & USB Input

- A CD boombox with USB and MP3 playback
- Plays CD, CD-R/RW, and MP3 discs
- Plays MP3 files directly from USB memory sticks
- AM/FM radio
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Accessories included: AC power cord
- Power: AC 110/220V or 8 x D batteries (not included)

NPB-250A

Portable MP3/CD Player, with FM Radio & USB/SD Slot

- A CD boombox with USB, SD, and MP3 playback
- Plays CD, CD-R/RW, and MP3 discs
- Plays MP3 files directly from USB memory sticks and SD cards
- Digital FM radio
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- 3.5mm headphone output
- Accessories included: AC power cord
- Power: AC 120V or 8 x C batteries (not included)

NPB-246

Portable MP3/CD Player with AM/FM Stereo Radio & USB Input

- A compact boombox with big sound that can play CDs, MP3s, and files from USB
- Plays CD, CD-R/RW, and MP3 discs
- Plays MP3 files directly from USB memory sticks
- AM/FM radio with analog tuning
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Accessories included: AC power cord
- Power: AC 110/220V or 6 x C batteries (not included)

MP3/CD Boomboxes

NPB-264

Portable MP3/CD Boombox and USB Player

- A compact boombox with big sound that can play CDs, MP3s, and files from USB
- Plays CD, CD-R/RW, and MP3 discs
- Plays MP3 files directly from USB memory sticks
- AM/FM radio with digital preset tuning
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Accessories included: AC power cord
- Power: AC 120V or 6 x C batteries (not included)

NPB-252

Portable MP3/CD Player with AM/FM Stereo Radio

- A compact boombox that can play CDs and MP3s and receive AM/FM radio broadcasts
- Plays CD, CD-R/RW, and MP3 discs
- AM/FM radio
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Accessories included: AC power cord
- Power: AC 120V or 6 x C batteries (not included)

NPB-268

Portable CD/Cassette Boombox

- Plays CD and CD-R/RW discs
- Plays and records to cassette tapes
- Digital AM/FM radio with 40 station preset memory
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- 3.5mm headphone jack
- Accessories included: AC power cord
- Power: AC 120V or 8 x C batteries (not included)

NPB-245

Portable CD Player & AM/FM Stereo Radio

- A back-to-basics boombox that can play CDs and receive AM/FM radio broadcasts
- Plays CD and CD-R/RW discs
- AM/FM radio
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Accessories included: AC power cord
- Power: AC 110/220V or 6 x C batteries (not included)

MP3/CD Boomboxes

NPB-251

Portable CD Player with AM/FM Stereo Radio

- A back-to-basics boombox that can play CDs and receive AM/FM radio broadcasts
- Plays CD and CD-R/RW discs
- AM/FM radio
- 3.5mm AUX audio input
- Accessories included: AC power cord
- Power: AC 120V or 6 x C batteries (not included)

NPB-240

Portable CD Boombox

- Convenient top-loading CD player
- AM/FM stereo radio
- 20-track programmable memory
- 3.5 mm AUX input
- Use with batteries or AC power
- Accessories included: AC power cord
- Power: AC 120V or 6 x C batteries (not included)

Home Audio Microsystems

Perfect for a desk, shelf, or wall, microsystems offer just the right balance of size and power. Microsystems from Naxa Electronics are a great and stylish choice to add music to any room.

Naxa Electronics offers a line of microsystems that will match exactly what you're looking for. From wireless systems with Bluetooth® to digital MP3 playback, let Naxa help transform your space with good sound and good design.

Home Audio Microsystems

Wall Mountable

NSM-437

Digital MP3/CD Microsystem with PLL Digital AM/FM Stereo Radio

- A microsystem for your desk or wall that can play CDs and MP3s
- Plays CD, CD-R/RW, and MP3 discs
- AM/FM radio with digital preset tuning
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Additional features: Audio equalizer, LCD display with backlighting
- Wall mount or tabletop installation
- Accessories included: Remote control, 3.5mm AUX cable, mounting bracket, tabletop stand, AC power cord
- Power: AC 120V

Wall Mountable

NS-439

Digital CD Microsystem with Bluetooth®

- A microsystem for your desk or wall with Bluetooth® that can play your favorite CDs
- Plays CD and CD-R/RW discs
- Stream music wirelessly from smartphones, tablets, laptops, and other Bluetooth enabled devices
- AM/FM radio with digital preset tuning
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Additional features: Audio equalizer, LCD display with backlighting, wall mount or tabletop installation
- Accessories included: Remote control, 3.5mm AUX cable, mounting bracket, tabletop stand, AC power cord
- Power: AC 120V

Home Audio Microsystems

Wall Mountable

NS-433

Digital CD Microsystem with AM/FM Stereo Radio

- A microsystem for your desk or wall that can play CDs
- Plays CD and CD-R/RW discs
- AM/FM radio with digital preset tuning
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Additional features: Audio equalizer, LCD display with backlighting
- Wall mount or tabletop installation
- Accessories included: Remote control, 3.5mm AUX cable, mounting bracket, tabletop stand, AC power cord
- Power: AC 120V

Wall Mountable

NS-435

Digital CD Microsystem with AM/FM Radio

- A microsystem for your desk or wall that can play your favorite CDs
- Plays CD and CD-R/RW discs
- AM/FM radio with digital preset tuning
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Additional features: Audio equalizer, LCD display with backlighting
- Wall mount or tabletop installation
- Accessories included: Remote control, 3.5mm AUX cable, mounting bracket, tabletop stand, AC power cord
- Power: AC 120V

NS-438

Digital CD Microsystem with AM/FM Stereo Radio

- A microsystem for your desk or wall that can play CDs
- Plays CD and CD-R/RW discs
- AM/FM radio with digital preset tuning
- 3.5mm AUX audio input for smartphones, iPod®, and other audio devices
- Additional features: Clock, alarm, two detachable full-range speakers
- Tabletop installation
- Accessories included: Remote control
- Power: AC 120V, 2 x AAA batteries (clock backup, not included)

Karaoke Systems

Do you know someone who likes singing in the car? In the shower? In the rain? Is it you, even? An all-in-one karaoke system from Naxa Electronics is a great way to take singing to the next level. There's no better way to turn the fun level to max like getting behind a microphone and belting out the hits!

Naxa karaoke systems offer compelling features like wireless Bluetooth®, compatibility with karaoke discs, TV output, reverb effects, and independent microphone level controls. Each system comes with two microphones so that family and friends can get in on the fun right out of the box.

Home & Personal

With alarm clocks and digital photo frames for the home from Naxa Electronics, you'll find the usual commitment to quality, reliability, and value that Naxa is known for. Naxa alarm clocks have thoughtful features like convenient USB charging for your bedside devices, and projection to display the time on any wall. Naxa digital photo frames are stylish, easy to use, and support most popular camera memory cards.

Naxa brings design and personality to personal electronics. Naxa pocket radios are useful, fun, and come in exciting colors; the new Naxa Action Cameras are waterproof and ready to capture all the shareable moments of your life; and the new LED lanterns with TV are handy to have in your garage, yard, or while camping.

NAB-4002

Wireless Audio Adapter with Bluetooth® for iPod® and iPhone® Dock and AUX Input Connectors

- An adapter that adds wireless Bluetooth® technology to both 30-pin docks made for iPod® and iPhone® and any device with an AUX input connector
- Connect your modern smartphone, tablet, or other Bluetooth enabled device with old speaker docks and other accessories made for iPod/iPhone
- Connect your modern smartphone, tablet, or other Bluetooth enabled device to any 3.5mm audio input jack
- Bluetooth V 3.0 EDR with A2DP
- Built-in rechargeable battery (180mAh) provides up to 6 hours of play time
- Charges over micro USB
- Accessories included: Micro USB cable, 3.5mm AUX cable

NAB-4003

Wireless Audio Adapter with Bluetooth® for USB Connectors

- An adapter that adds wireless Bluetooth® technology to devices with a USB audio connector
- Connect your modern smartphone, tablet, or other Bluetooth enabled device with devices that can play audio from USB
- Bluetooth technology supports high-fidelity audio and A2DP for stereo music streaming
- Simply plug-and-play operation with no need for drivers or other software

NA-3029

Wireless FM Transmitter for the Car with Built-in MP3 Player

- Digital FM transmitter for your car that can play MP3s from USB and SD memory cards
- Charge and play music at the same time with the USB connection
- Play MP3 files from SD memory cards
- AUX input connects any music player with a 3.5 mm headphone jack
- Transmits over 206 FM frequencies so you can find one that works for you
- Accessories included: Remote control, 3.5mm AUX cable, fuse
- DC 12-24V car/boat adapter

USB & SD Inputs

Adjustable Arm

NA-3031

Wireless FM Transmitter for the Car with Built-in MP3 Player

- Digital FM transmitter for your car that can play MP3s from USB and SD memory cards
- Play MP3 files from USB and SD memory cards
- Large digital display
- Transmits over 206 FM frequencies so you can find one that works for you
- Accessories included: Remote control, fuse
- DC 12-16V car/boat adapter

NA-11

Selfie Stick

- Get creative! Easy to use remote for your smartphone lets you take fun photos of you and your friends and family
- Innovative mount secures most smartphone sizes
- Telescopic handle with remote shutter button extends from 9 to 40 inches
- Remote shutter connects to your smartphone's 3.5mm headphone jack
- No batteries or apps required
- Works with compatible Android™ smartphones, iPhone®, and iPod® touch with camera

Selfie Stick button

HDMI Cables

NAC-206

6 FT HDMI 1.4v Cable with Ethernet

- A reliable HDMI cable that is compatible with almost all A/V devices
- Meets HDMI 1.4 specifications, including 3D and 4K support, and a built-in ethernet channel
- The perfect complement for HDTVs, game consoles, and 3D systems
- 24-karat gold plated connectors provide optimum signal transfer
- Woven PVC insulation cover for strong, long-lasting, and durable protection
- Radio frequency and electromagnetic interference protection with foil shielding technology
- Copper conductive layer prevents signal degradation
- Package type: clamshell

NAC-212

12 FT HDMI 1.4v Cable with Ethernet

- A reliable HDMI cable that is compatible with almost all A/V devices
- Meets HDMI 1.4 specifications, including 3D and 4K support
- The perfect complement for HDTVs, game consoles, and 3D systems
- 24-karat gold plated connectors provide optimum signal transfer
- Woven PVC insulation cover for strong, long-lasting, and durable protection
- Radio frequency and electromagnetic interference protection with foil shielding technology
- Copper conductive layer prevents signal degradation
- Package type: clamshell

NAA-309

High-Powered Amplified Antenna Suitable for HDTV and ATSC Digital Television

- Amplified HDTV Digital Antenna
- Suitable for receiving digital ATSC TV signals on your HDTV
- Slim modern design
- Frequency compatibility: UHF/VHF/FM
- Frequency range: VHF 40-230MHz; UHF 470-862MHz
- Wall mountable

NAA-306

Ultra-Thin Flat Panel Style High Powered Antenna Suitable For HDTV and ATSC Digital Television

- Ultra-thin flat panel style
- Suitable for receiving digital ATSC TV signals on your HDTV
- Adjustable stand included
- Frequency compatibility: UHF/VHF
- Frequency range: VHF 40-230MHz; UHF 470-862MHz

Antennas

NAA-308

High Powered Amplified Antenna Suitable For HDTV and ATSC Digital Television

- Amplified HDTV digital antenna
- Suitable for receiving digital ATSC TV signals on your HDTV
- Tuning control knob
- Tilt adjustment
- Frequency compatibility: UHF/VHF/FM
- Frequency range: VHF: 40-230MHz; UHF 470-862MHz

NAA-305

Flat Panel Style High Powered Amplified Antenna Suitable For HDTV and ATSC Digital Television with Car Cord

- Amplified HDTV digital antenna that includes a DC power adapter for your car
- Suitable for receiving digital ATSC TV signals on your HDTV
- Frequency compatibility: UHF/VHF/FM
- Frequency range: VHF 40-230MHz; UHF 470-862MHz
- Accessories included: stand, AC power adapter, DC car adapter, coaxial cable
- 2-way power: AC 120V adapter & DC 12V car cord

NAA-350

High Powered Amplified Motorized Outdoor Antenna Suitable For HDTV and ATSC Digital Television

- Amplified HDTV digital antenna for outdoor installation with a slim & modern profile
- Motorized antenna rotates 360 degrees
- Large size improves reception, picture and sound quality
- Frequency compatibility: UHF/VHF/FM
- Frequency range: VHF: 40-230MHz; UHF 470-862MHz
- Accessories included: Wireless remote control, easy-installation bracket, coaxial cable, plastic safety ties & cable straps

NAA-351

High Powered Amplified Motorized Outdoor Antenna Suitable For HDTV and ATSC Digital Television

- Amplified HDTV digital antenna for outdoor installation with a slim & modern profile
- Motorized antenna rotates 360 degrees
