

INSTRUCTIONS: ATV STORAGE COVER

WARNING

Never use this cover while transporting your ATV on a trailer or an open vehicle. The cover could blow off and cause injury to others.

INSTALLATION

1. Check your ATV for any sharp objects or corners. Place rags or foam over sharp objects before applying your cover to avoid stress on your storage cover as you pull it on.
2. Find the label along the bottom hem marked, "FRONT". With this label at the front of your machine pull your cover down over your ATV.

CLEANING

Clean your cover with a soft brush and lukewarm water or machine wash in COLD water. Do NOT USE SOAP as it may remove the protective coatings. Line dry or machine dry on air or delicate.

STORAGE

A handy storage bag is provided to store your cover in. To avoid mildew, be sure the cover is completely dry before you store it in the storage bag.
