

# Grille Installation Process

Chrysler 300 05-10 Upper Grille (CHR-3000)

Part # CHR-3000B  
Part # CHR-3000C  
Part # CHR-3000S  
Part # CHR-3000-SW

**Picture #1:**

Here is our Chrysler 300 MX-Series Chrome mesh Grille Part# CHR-3000C

**Picture #2:**

Here is our Chrysler 300 in need of a GrillCraft MX Series Chrome mesh front grille.

**Picture #3:**

Remove the plastic clips located on the top side of the bumper cover.

**Picture #4:**

Remove bolts located on the front bottom side of the bumper cover.

**Picture #5:**

Remove the plastic clips that hold front section of the splash shield to the bumper cover.

**Picture #6:**

Remove the bolt located in the fender well area behind the splash shield this bolt is in the vertical position.

**Picture #7:**

Remove the washer fluid hose and drain the washer fluid.

**Picture #8:**

Unclip the bumper lamp wire harness.

**Picture #9:**

Pull the bumper cover forward in order to unclip the bumper.

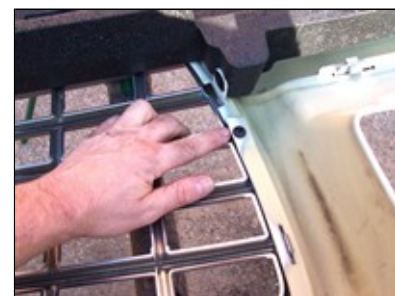

**Picture #10:**

On the backside of the bumper cover remove the clip that retains the bumper foam filler (using a small flat screwdriver will work to remove this clip)

**Picture #11:**

Removing the backside bumper foam filler.

**Picture #12:**

Remove the screws that hold the original grille in place.

**Picture #13:**

Place the GrillCraft Mesh grille into the bumper and mark the mounting tab hole locations.

**Picture #14:**

Drill 3/16 inch hole for the mounting screws.

**Picture #15:**

On light colored vehicles we recommend painting the area behind the grille with fast drying flat black spray paint.

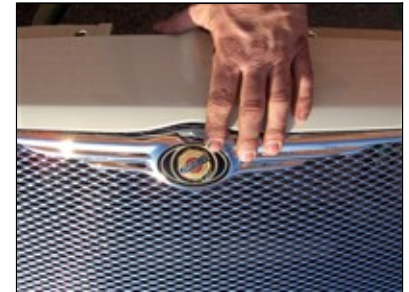

**Picture #16:**

Fasten the grille in place with the supplied hardware.

**Picture #17:**

OPTIONAL Use Chrysler Part# 04805988-AA (chrysler 300 trunk emblem wings) If you desire the Chrysler Badge on the grille. Remove prongs from emblem.

**Picture #18:**

The factory emblem has an adhesive back peel and stick to the front of the grille.

**Picture #19:**

Using the supplied epoxy kit apply the epoxy to the back side of the emblem.

**Picture #20:**

Wow What a Difference !!!!!!!!!!!

**Picture #21:**

Looking good with GrillCraft Chrome MX Series Mesh Grille.

**Picture #22:**

Bling Bling !!!!!!!!!!!!!

**Picture #23:**
