SP3072

2009-10 AUDI A3 2.0L TFSI

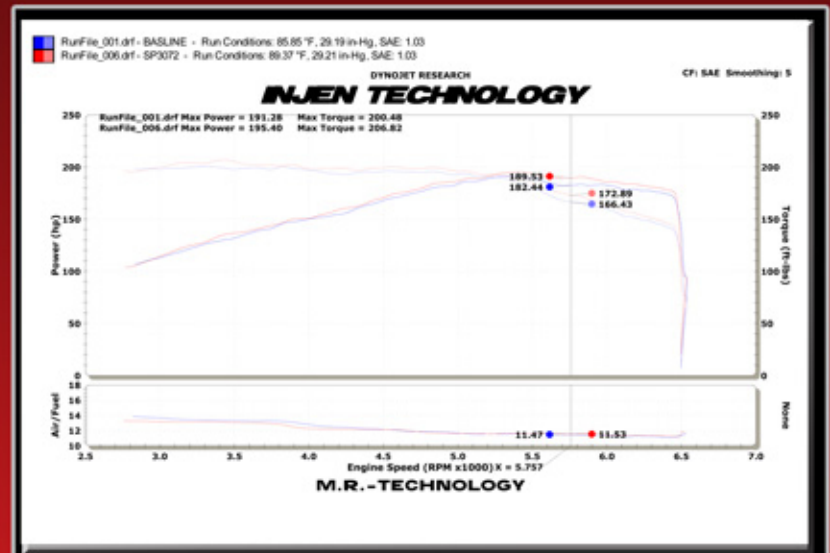

+Gains of up to 7 hp / 7 ft.lbs of torque

What puts Injen Technology light years ahead of the competition? Four U.S. tuning patents!

Looking for that competitive edge? Look no further, Injen Technology introduces the all new SP3072, a direct bolt-on that delivers 7 h/p and 7ft/lbs of torque. As an added feature, you get a functional, aluminum air scoop that draws cool air from the front grill. In addition, Injen offers a Web nano-fiber dry filter, the first top-loading filter that stops contaminants on the surface while accelerating air flow
