## SP7031

09-10 CHEVROLET MALIBU 2.4L 4CYL (NO AIR PUMP)  
08-09 PONTIAC G6 2.4L 4CYL (NO AIR PUMP)

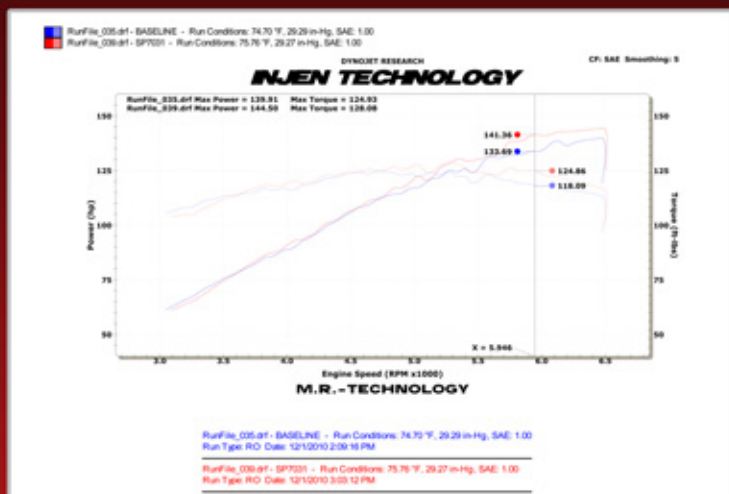

The all new PF7031 doesn't fall short of INJENIOUS when it comes down to producing massive power gains of up to 8 horsepower and 7 ft/lbs of torque! It delivers all this and so much more with Injen's patented MR step-down process and Air Fusion.

In addition to its patented tuning process, this system comes with a Web nano-fiber dry filter that stops contaminants on the surface while accelerating air-flow. Protect your engine from harsh and dirty environments with the web nano-fiber dry media as designed for the US Army Abrams M1 tanks. Trust the company that brought you: "The World's First Tuned Air Intake system"
