SOFT TOP ACCESSORIES
FOR JEEP® YJ, TJ & JK WRANGLER

Pictured: Replay Top (51204-35) on JK Wrangler, Southern California

MAKING QUALITY AFFORDABLE

Pavement Ends is Bestop's most affordable line of soft tops and accessories. Bestop has been manufacturing replacement soft tops and Jeep accessories for more than 60 years, and is the sole supplier of factory-installed soft tops on Jeep Wranglers, for more than 30 years. All that engineering and technology expertise makes its way into our Pavement Ends line of products.

Pavement Ends gives Jeep owners a more economical choice when replacing a soft top without sacrificing ease of installation and dependability. The features, fabrics and hardware in Pavement Ends soft tops have different specifications than top-of-the-line Bestop products, but you still get a quality product that represents tremendous value.

A FEATURE-SMART, DOLLAR-WISE CHOICE

FABRIC REPLACEMENT TOPS

REPLAY TOP™

- Replacement tops for: Wrangler, Samurai, Tracker & Sidekick, plus Isuzu Amigo
- Replay requires factory hardware for installation
- Pavement Ends fabric is made with a tough as nails, mildew and UV resistant, 23-oz. vinyl coated polyester marine grade cotton fabric
- Features 135 gauge polyester thread for great durability
- Choose 18% tinted or standard clear 28-mil thick rear side windows and rear window which are removable for open air enjoyment
- Sturdy OEM quality heavy duty plastic teeth zippers with jam-resistant technology

Fabric upper skins available on some models.

Zippered rear window can be rolled up and stowed, or removed completely.

Windows attach securely using our original Belt-Rail channel design.

PAVEMENT ENDS™ SPRINT TOP™

FASTBACK STYLE, FLIP-BACK SUNRIDER® PANEL, AND FRAMELESS DESIGN...

SPRINT TOP™

FABRIC 23-ounce diamond-point fabric is UV-resistant to help prevent color fade, plus resists stains and mildew, even in humid climates.

EASY INSTALLATION Uses your existing factory door surrounds, windshield header and tailgate bar. Rear crossbar included to keep rear fabric tighter and smoother.

WINDOWS Removable DOT approved 28-mil vinyl windows with 31% tint to help keep interior cooler in hot weather. All windows are 100% heat-sealed against moisture.

CONSTRUCTION Factory-spec marine-grade thread in all seams for lasting durability. Seams are double-stitched and heat-sealed to stop any moisture penetration.

DOORS Sprint Top fits factory full steel doors or existing upper fabric half doors, as well as Bestop fabric Upper Half Doors.

ZIPPERS YKK scoop-counted zippers are the best available. Rear side windows and rear curtain have handy zipper pull tabs on zipper grips.

FRAMELESS

NO FACTORY BOW SYSTEM NEEDED.
 REUSES OEM DOOR SURROUND,
 HEADER CHANNEL AND TAILGATE BAR

SPRINT TOP™
