THE NERF BARS THAT STARTED IT ALL

Finish: Black Semi Gloss
Material: Carbon Steel
Warranty: 3 Years

Also available in All Stainless Steel (Read below)

If your truck or vehicle is constantly being exposed to the harsh elements, then you need our All Stainless Sidebars, which come with polished stainless brackets instead of carbon steel brackets. Get a lifetime warranty on not only the bars, but the brackets also for a product that lasts.

NERF BARS

3" ROUND SIDEBARS

FUNCTIONAL & STYLISH

The one that started it all. Understated yet functional. You don't need to struggle to enter your vehicle, and don't need to struggle financially for the convenience. We provide you with a solution that looks great, & also easy on the wallet so you can't lose.

- Durable 3" round tubing
- Custom mounting brackets (included)
- Easy, no-drill installation
- Available in powder coat black, T304 stainless steel with carbon steel brackets, or all stainless steel with stainless steel brackets

Steelcraft's all new 4" bar is taking the aftermarket world by storm. With sleek bends and rugged, aggressive step pads, these side bars will take your truck to the next level in both style and functionality.

4X SERIES SIDEBARS

SLEEK & AGGRESSIVE

Now available in Black Stainless Steel 

NEW AND IMPROVED

| Features |

- Durable 4" oval tubing
- Custom mounting brackets (included)
- Aggressive custom polyethylene step pads
- OE style bends
- E-coating and powder coating provides years of durable finish and superior corrosion resistance

All new high traction branded step pad

Introducing Steelcraft's NEW Blackout Series Black Stainless Sidebars

Steelcraft's new Blackout Series Sidebars are made from stainless steel tubing that is dipped, e-coated, and powder coated, giving you the best of both worlds....a black powder coat finish without the worries of rust and corrosion.

[Now you can get a lifetime warranty on black nerf bars](#)

Previously in order to get a lifetime warranty on your nerf bars, you had only one option, polished stainless steel. Fast forward to today, Steelcraft's new Black Stainless Steel sidebars now give you the peace of mind of polished stainless with the cutting edge textured black look. It's a win win.

*Black powder coat over stainless steel
(shown this way for illustration purposes only)

BLACKOUT
series

It shouldn't be a hassle every time you have to enter and exit your vehicle! Fortunately the Steelcraft 5" Oval Nerf Bars are the solution to your problem. They will help out tremendously, while at the same time adding a stylish look to your vehicle.

5" OVAL SIDEBARS

MORE BAR, MORE STYLE

3 STYLES TO CHOOSE FROM

1 5" Oval Premium Sidebars

Bent ends give our 5" premium bars that extra style your truck deserves. Add an aggressive branded step pad for sure footing and you have a winning combination

| Features |

- No-drill install on most vehicles
- Durable polyethylene step pad
- Bent ends
- Vehicle specific mounting brackets and hardware included

2 STYLES TO CHOOSE FROM

**RUNNING
BOARDS** 

ETX 100 SERIES

| Features |

- OEM style running board enhances vehicle appearance
- Full-length HD extruded aluminum for added strength
- Polished stainless steel protective side trim
- Custom heavy duty brackets (vehicle specific)
- Mounting brackets & hardware included
- Available in black rubber non-slip surface
- Limited lifetime warranty

ETX 200 SERIES

| Features |

- 5" widestep surface with molded traction strips running the length of the board for sure footing
- Injection molded end cap made from the highest quality polymers to ensure UV and corrosion resistance for long life
- Aircraft grade extruded aluminum deck is computer engineered for optimum strength
- Available in multiple lengths to fit most SUVs and CUV's

RUNNING BOARDS

AN ALTERNATIVE TO THE STANDARD NERF BAR

STX 300 SERIES

| Features |

- 4.5" Wide step injection molded textured step platforms designed for years of service
- Rounded bullnose trim around the face of the running board provides a clean OE appearance
- CAD designed aircraft grade aluminum extrusion provides ultimate strength and durability
- Decorative 304 Stainless steel center panel adds a clean dividing line between front and rear cabs
- 2" tall black elastomer back splash to help keep mud, water and road debris from splashing onto the step platform

STX 400 SERIES

| Features |

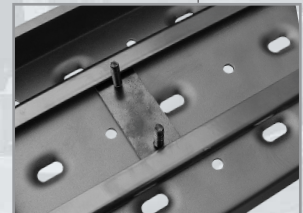

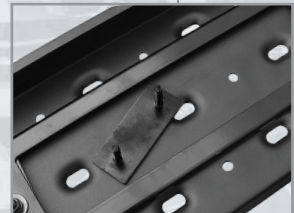

- STX 400 Step Boards feature an extruded aluminum body for ultra-light weight and aircraft quality strength
- Textured powder coating provides years of durable finish and superior corrosion resistance
- Stainless steel cover plates offer exceptional appearance alongside the long 5" aggressive patterned step pads
- Step pads are designed for years of service with high impact and UV protectant Polymers, no matter the condition

STX600 SERIES

| Features |

- Heavy duty 14-gauge stamped carbon steel deck
- 6 1/2" step surface for comfort & security
- Fully E-Coated to resist rust and corrosion
- Innovative track mounting system allows for multiple mounting positions

Steelcraft's latest utility board, the STX600, was designed for the needs of the working truck and van owner, featuring an aggressive style for any use

Traction lugs for a secure footing

Designed for the work truck and utility van owner in mind. Made to withstand years of punishment and backed by a 3 year manufacturers warranty
