BOTH E-COATED AND POWDER COATED FOR DURABILITY

KEEP YOUR FACTORY TOW HOOKS, FOG LIGHTS AND LICENSE PLATE

HIGHLIGHTS

- Diamond plate and schedule 40 pipe used in production for strength
- 2 year warranty (Most of our competitors only offer one year)
- Engineered by actual engineers for fitment installation, strength and durability
- Punched plate grille, not expanded metal (mesh) like most others
- Semi gloss finish

HEAVY DUTY REPLACEMENT BUMPERS

Steelcraft Automotive has launched our Heavy Duty Line which provides exceptional protection for your vehicle. Steelcraft Heavy Duty Grill Guards, Front End Replacements, Rear Bumpers and Steps are all a one piece fully welded design for maximum strength and durability, as well as manufactured with the highest quality materials and workmanship. Our engineer and R&D teams have spent countless hours developing an HD Line that is a non-drill installation without sacrificing stability or appearance because we believe there's no aspect that should be overlooked.

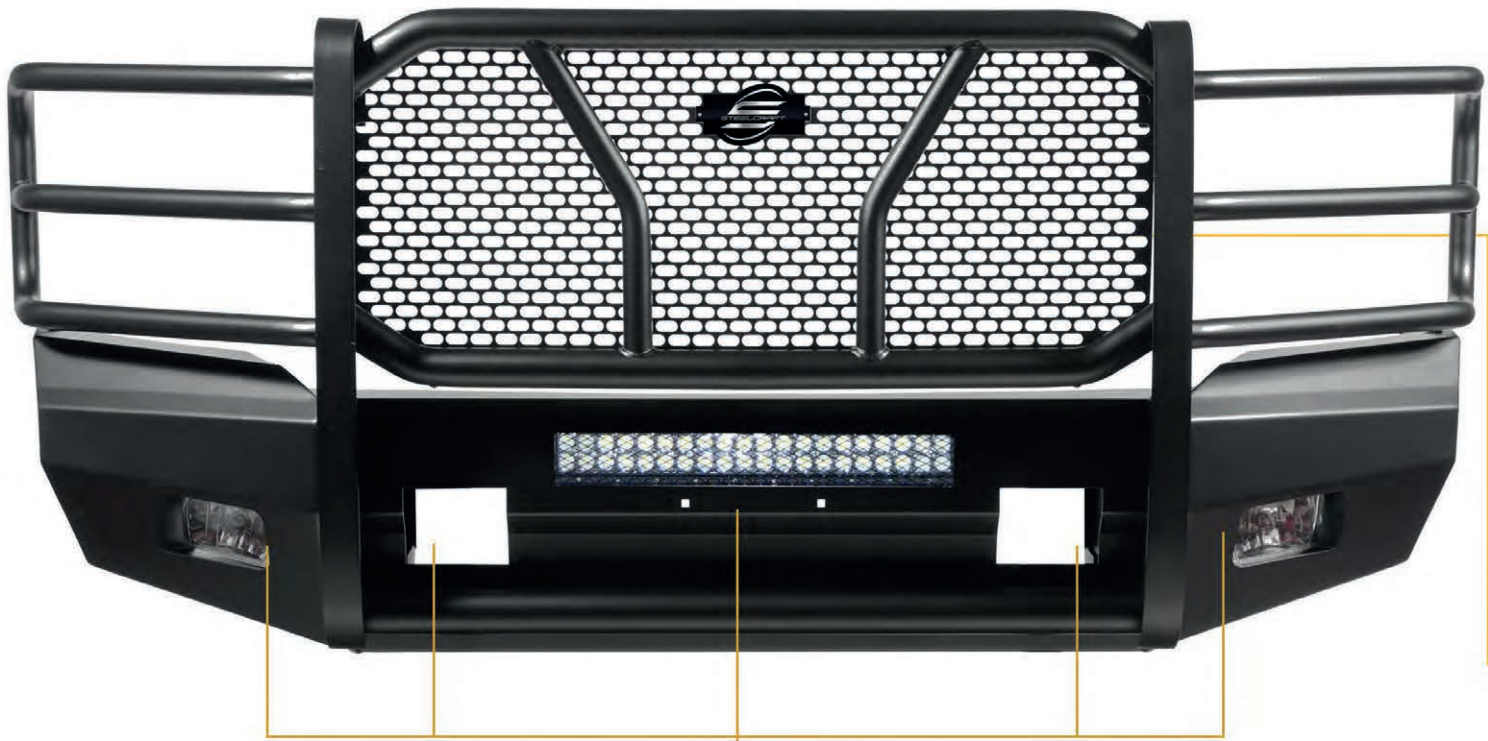

All Steelcraft Heavy Duty Products are E-Coated and Powder Coated to ensure quality performance for years to come, and we stand behind it with a 2 year Limited Warranty, one of the longest in the industry.

2017 SUPER DUTY

ELEVATION SERIES

KEEP YOUR FACTORY TOW HOOKS, FOG LIGHTS AND LICENSE PLATE

REVERSE LIGHTING BUILT INTO REAR BUMPER

HIGHLIGHTS

FRONT LIGHT BAR

REAR BUMPER GUARD

Steelcraft's EVO3 is just that; a shift, a change, an improvement on multiple levels. Front Light Bars, Rear Bumper Guards, and a combination Nerf Bar/Running Board hybrid we call a Step Board completes the effect. All three combine to add the look and performance that you demand in a next level product. Completely bolt on with no drilling or modification takes your truck from street plain to evolved mechanical machine.

EVO•LU•TION *"A process of continuous change from a lower, simpler, to a higher, more complex, or better state"*

REPLACEMENT REAR BUMPER

SteelCraft's Jeep Wrangler Bumper Replacements are modular construction engineered for strength, durability and sleek style. Our Front Wrangler Bumper not only allows the customer four different combinations at the time of install, but all combination of parts are the customers to take home if they want to change the look of their Wrangler anytime down the road. All Front Combinations are Winch ready and allow you to retain factory fog lights so when it's needed, our bumper won't hold you back from exploring where the pavement ends!

TERMS & CONDITIONS

Purchasing

All shipments are C.O.D. unless payment has been received with an order or other prior arrangements have been made for open account. 50% deposit required on C.O. D. shipments.

Claims

Inspection of shipments is the responsibility of the customer. Damage or shortages need to be reported by the customer to the carrier at the time of delivery and noted on the bill of lading. Any claims not reported within 72 hours of delivery will not be honored.

Pricing and Terms

Pricing and terms herein supercede all previous and are subject to change without notice.

Maintenance

Steelcraft products should be routinely cleaned with a mild soap and water solution, then dried fully with a clean dry terry cloth. Powder coated products have similar consistency as automotive paints and should be cared for similarly. Stainless Steel products require routine cleaning and polishing with a nonabrasive polish. Failure to do so may cause fading, corrosion and ultimately void product warranty.

Black Powder Coat Warranty

Steelcraft guarantees the original purchaser a LIMITED 3 YEAR WARRANTY from the date of purchase against manufacturer defects in materials, workmanship and finish under normal use. This excludes damage resulting from road hazards, debris, product misuse, improper installation, impairments from accidents, neglect, shipping or product modification. This warranty applies only to new products and is limited to the repair or replacement of Steelcraft products. Warranty does not include cost of removal, installation, labor, freight, inconvenience, or consequential damage. Original purchaser must return defective merchandise to original place of purchase and must provide original receipt.

Stainless Steel Warranty

Steelcraft guarantees the original purchaser a LIMITED LIFETIME WARRANTY against manufacturer defects in materials, workmanship and finish under normal use excluding damage resulting from road hazards, debris, product misuse, improper installation, impairments from accidents, neglect, shipping or product modification. This warranty applies only to new products and is limited to the repair or replacement of Steelcraft products. Warranty does not include cost of removal, installation, labor, freight, inconvenience or consequential damage. Original purchaser must return defective merchandise to the original place of purchase and must provide the original receipt.

Disclaimer

Steelcraft products are designed as decorative accessories and should not be relied upon as protection for the vehicle or passengers. Buyers assume all risk and liability whatsoever resulting from installation and use of Steelcraft products. Steelcraft assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.
