

WARRANTY POLICY

GENERAL PRODUCT WARRANTY

9 CIRCLE makes every effort to ensure the products it offers are of the highest quality and standards. When used for the purpose for which they are designed, the tools are guaranteed against defects in materials and workmanship.

This guarantee applies only to the products purchased new from 9 CIRCLE authorized distributors.

The current warranties are extended only to the original retail purchaser.

This warranty does not apply to any products showing signs of abuse, misuse, alteration, or improper maintenance or repaired. Products that have become discontinued and obsolete will also not apply.

This warranty does not cover damage attributable to normal wear and tear.

Any applicable product that fails during normal use and is within the specified warranty period for set product will be repaired or replaced at 9 CIRCLE's discretion. Repairs and/or replacements are warranted as the original purchased product and only for the remainder of the original warranty period.

Repair or replacement is the exclusive remedy for the defective product under this warranty. Warranty is expressly in lieu of all other warranties, including the implied warranty of merchantability or any implied warranty of fitness for a particular application.

9 CIRCLE shall not be held liable for any consequential or incidental damages for breach of any expressed or implied warranty on their products. No claims for damages of any type will be considered and all products are sold with this understanding.
