NEW FUEL SYSTEM TREATMENT PLUS DIESEL 19420395 (350ML BOTTLE)

PRODUCT DETAILS

An effective diesel fuel additive which meets GMW17132 specification for use in diesel fuel.

FEATURES & BENEFITS

- Provides maximum lubricity for low-sulphur diesel fuels.
- Removes and prevents diesel fuel injector deposits to promote smoother idle
- Reduces exhaust smoke
- Corrosion protection
- Improves fuel economy and increases power

FUEL SYSTEM TREATMENT PLUS - PETROL 19418629 (350ML BOTTLE)

PRODUCT DETAILS

Starting problems in the winter due to frozen moisture in fuel lines. Gum and varnish build-up in fuel system can impede fuel flow. Meets GM specification GMW17131.

FEATURES & BENEFITS

- Helps remove and prevent moisture and ice from collecting in the fuel system
- Helps protect fuel tank and internal engine components from corrosion
- Helps to reduce and remove contaminants in fuel tank, lines, pumps, and systems
- Suitable for use in carbureted and fuel injected petrol engines

NEW RADIATOR FAST FLUSH 19420396 (350ML BOTTLE)

PRODUCT DETAILS

ACDelco Radiator Fast Flush dissolves and loosens rust and scale from inside the cooling system to aid in removal during the flushing process.

FEATURES & BENEFITS

- Effectively aid in the removal of rust and scale build-up inside the radiator and engine cooling passages
- A clean cooling system will result in improved engine efficiency and heater output
- Works best when used with a cooling system flush machine
- Meets & exceeds OEM service requirements

COMBUSTION CLEANER 88900161 (454ML AEROSOL)

PRODUCT DETAILS

Combustion chamber deposits can cause pre-ignition, run-on, engine knock and poor engine performance.

FEATURES & BENEFITS

- Removes varnish and gum deposits from the fuel induction system to help restore optimum fuel/air flow rates
- Removes combustion chamber deposits to help eliminate engine knocking and pinging and improve engine performance
- Oxygen sensor and catalytic converter safe

CHEMICAL CATALOGUE

FOR MOST MAKES AND MODELS

BRAKE PARTS CLEANER 88900163 (565ML AEROSOL)

PRODUCT DETAILS

Oil, grease, grime, and brake fluid build up on brake component can cause improper operation.

FEATURES & BENEFITS

- Removes soil, grease, grime and dust.
- Cleans disassembled brake parts. Also can be used for cleaning some electrical contacts, carburetor linkages, starters, alternators, electric motors. Driers without leaving residue

SUPER PENETRANT 88900164 (454ML AEROSOL)

PRODUCT DETAILS

Rusted and corroded metal parts including linkages, nut and bolt assemblies, bushed or press-fit connectors, that can make disassembly and/or adjustment difficult.

FEATURES & BENEFITS

- Penetrates rust and corrosion to help free seized parts
- Provides lubrication
- Protects against further rust and corrosion, with excellent wetting capability, that can displace water in electrical connections and components

ENGINE DEGREASER 88901043 (475ML AEROSOL)

PRODUCT DETAILS

Oil, grease, grime build up on engines can cause excessive engine heat, and improper component operation.

FEATURES & BENEFITS

- Heavy duty cleaner cuts through tough oil and grease build up on the exterior of engines. Can also be used on industrial equipment, lawn & garden equipment, marine equipment

CRANKCASE CLEANER 88901044 (350ML BOTTLE)

PRODUCT DETAILS

Varnish, sludge and thickened engine oil in the crankcase and lubrication system can result in sticking hydraulic lifters, restricted lubricant supply, partial seizure between piston and cylinder walls, crankshaft and camshaft journals and bearings. This may result in cranking overload, scoring or total seizure of the engine.

FEATURES & BENEFITS

- Will assist to thin thickened oil.
- Helps to remove sludge and varnish build-up throughout the lubrication system so that it can be drained with the used oil
- Contains a proven antiwear and extreme pressure additive to protect critical bearing areas and cylinder walls during flushing process

CHEMICAL CATALOGUE

FOR MOST MAKES AND MODELS

CARBURETOR CLEANER 88901042 (435ML AEROSOL)

PRODUCT DETAILS

Varnish, gum and deposits build up around the linkages and housing which may result in erratic engine operation such as hesitation, stalling, rough idle, poor fuel economy.

FEATURES & BENEFITS

- Rapidly removes varnish, gum deposits, dirt and grim from linkages and other external carburetor surfaces to ensure smooth mechanical operation
- Quick drying and effective
- Non-chlorinated

FUEL INJECTOR CLEANER 88900162 (350ML BOTTLE)

PRODUCT DETAILS

Deposit build up in fuel injectors or carburetors can causes driveability problems, including hesitation, stalling, reduced power and reduced fuel economy.

FEATURES & BENEFITS

- Cleans fuel injectors
- Reduces carburetor deposits
- Helps prevent corrosion of the fuel system
- Helps maintain intake port and valve cleanliness

CHEMICALS

ACDelco P/N	Product Name	Unit Of Issue
19420395	Fuel System Treatment Plus - Diesel	350ml
19420396	Radiator Fast Flush	350ml
88900161	Combustion Cleaner	454ml
19418629	Fuel System Cleaner	350ml
88900163	Brake Parts Cleaner	565ml
88901043	Engine Degreaser	475ml
88900164	Super Penetrant	454ml
88901044	Crankcase Cleaner	350ml
88901042	Carburetor Cleaner	435ml
88900162	Fuel Injector Cleaner	350ml
