

ACDelco Brakes Product Family Quick Reference Guide

ACDelco offers a brake solution for nearly every customer and are among the most tested brakes in the industry. With four classifications to choose from: General Motors Original Equipment (GM OE), Professional DuraStop®, Advantage and Specialty products, you're bound to find the parts you need. And since ACDelco brake products come with a Limited Warranty* and quality assurance, you and your customers can stop with confidence.

SPECIALTY - ACDelco Professional DuraStop® Police

Police applications are demanding, so ACDelco Professional DuraStop® Police Pads and Rotors were designed with those specific needs in mind.

- 12-month/12,000-mile warranty
- Speed rating for high-speed braking
- Extensive police testing and evaluation programs
- Increased brake pad life and even more durable than standard DuraStop®
- Unique technology helps control temperature, brake noise and vibration
- Designed to withstand high temperatures and severe environmental elements

BEST - Line 17 GM Original Equipment

Sometimes you just need the original. ACDelco GM OE offers products specifically engineered and tested by GM for GM vehicles.

- 12-month/12,000-mile warranty
- Durability and strength are identical to original GM parts
- Meets Federal Motor Vehicle Safety Standards (FMVSS)
- Specialized paint is applied to the entire rotor to resist corrosion

BETTER - ACDelco Professional DuraStop®

ACDelco Professional DuraStop® offers high-quality brake system replacement parts for most vehicles on the road today. They undergo rigorous D3EA® testing and have key features to help reduce noise and vibration.

- Limited Lifetime Warranty* (pads and shoes)
- Professional grade aftermarket option for all makes and models
- All parts and rotors match the original design in key areas and are NOT “lightweight” options
- Specialized paint is applied to the rotor hat and vane surfaces to resist corrosion and premature wear

GOOD - ACDelco Advantage

ACDelco Advantage Brake Parts and Rotors are affordable without sacrificing quality or key features. They have a stronger warranty than many competitors and can be sold at a great price, allowing you to grow your ACDelco brake business.

- 12-month/unlimited mile warranty
- Economical offering for all makes and models
- All parts and rotors match the original design in key areas and are NOT “lightweight” options

* To the original purchaser. Installation not included.
