WE ARE PROUD TO MAKE OUR PRODUCTS IN AMERICA

ABOUT US

Addictive Desert Designs was born in Arizona in 2007 out of a garage and now occupies an 80,000 square foot facility and corporate office. With in-house R&D and manufacturing, combined with our passion and innovation being first to market, we manufacture quality offroad bumpers, side steps, chase racks, bed racks, suspension, and now fairleads, wheels, and other accessories. From our industry leading Raptor bumpers to our ever-growing products for nearly every modern truck on the market, we are raising the bar on style and performance one truck at a time.

WHEELS

Addictive Desert Designs now offers wheels to match your ADD products on your Ford Raptor and F-150, complete with *Stealth Fighter*® and *ADD PRO*® center caps.

**04 - UP FORD RAPTOR & F-150
STEALTH FIGHTER® WHEELS CENTER CAP**

AD01-17856F00-MB

- Bolt Pattern 6mm x 135mm
- 88.9mm Hub
- 17" x 8.5" / 0mm Offset
- Matte Black Finish

**04 - UP FORD RAPTOR & F-150
ADD PRO® WHEEL CENTER CAP**

AD02-17856F00-MB

- Bolt Pattern 6mm x 135mm
- 88.9mm Hub
- 17" x 8.5" / 0mm Offset
- Matte Black Finish

Available in both frame cut and bolt-on configurations, the ADD PRO gives the ultimate in clearance and approach angle. The main tubes remain flush to the front of your Raptor which allows you to retain full functionality from the front camera.

HONEYBADGER®

FORD

The *HoneyBadger*® front bumper is one of our toughest bumpers yet. Made with 1/8" external steel plating and removable 1/8" aluminum skid plate and accent panels. With an aggressive style the *HoneyBadger*® front bumper for the Ford Raptor highlights the truck's look, while providing superior protection to your front end components.

17 - UP FORD RAPTOR HONEYBADGER® FRONT BUMPER*

Winch Mount Option:

17 - UP FORD RAPTOR HONEYBADGER® REAR BUMPER*

With Backup Sensor Cutouts

& 10" SR LED Mounts Option:

R117321430103

STEALTH FIGHTER®

The *Stealth Fighter*® front bumper for the Ford Raptor is one of our tightest fitting and most aggressive looking bumpers on the market. Measuring only 1/2" farther from the grille than the factory bumper the *Stealth Fighter*® gives your Raptor a tight fitting steel plate designed bumper.

**17 - UP FORD RAPTOR
STEALTH FIGHTER® FRONT BUMPER***
F11202860103

**17 - UP FORD RAPTOR
STEALTH FIGHTER® REAR BUMPER**
R11231280103

STEALTH™

FORD

Addictive Desert Designs is the leader in the off-road aftermarket parts industry, being the first to market with our hand built custom aftermarket rear bumpers for the Ford Raptor. The *Stealth™* and *Stealth R™* bumper is an aggressive looking form fitted bumper to compliment the Raptor's factory dovetail style.

17 - UP FORD RAPTOR STEALTH™ REAR BUMPER

R113401280103

17 - UP FORD RAPTOR STEALTH R™ FRONT BUMPER*

F113782880103

17 - UP FORD RAPTOR ROCK FIGHTER® FRONT BUMPER

F114922770103

Venom™

The *Venom R™* is a low profile bumper that hugs the front end of the Raptor. A vented skid plate allows the *Venom R™* bumper to maintain airflow to your intercooler. With an integrated scoop behind the skid plate that directs airflow specifically designed for the Ford Raptor.

**17 - UP FORD RAPTOR
VENOM R™ FRONT BUMPER***

F112492820103

**17 - UP FORD RAPTOR
VENOM™ REAR BUMPER***

R112231280103

CHASE RACKS

The *Race Series R*® chase rack gives your truck an electronically actuated mounting option for lighting during those off-road night adventures. Providing a unique look, the Race Series R chase rack will make your Ford F-150/Raptor stand out from the crowd.

04 - UP FORD RAPTOR & F-150 RACE SERIES R® CHASE RACK*

C115802800103

The Ford Raptor/F-150 *ADD-Lander Overland* rack is extremely sturdy, allowing the use of heavier items up top, such as rooftop tents. Cutouts on the side of the rack provide another mounting spot for the factory Ford bed cleats.

15 - UP FORD RAPTOR & F-150 ADDLANDER OVERLAND RACK

C118822000103

The *ADD PRO*® Chase rack fits the Ford F-150 & Raptor, giving mounting options for 5 round lights that can be raised and lower using an electronic actuator. A sleek, low-profile design features a radius main tube that matches the curve of the Ford F-150/Raptor's roof, making it look like it belongs on the truck from the factory.

15 - UP FORD RAPTOR & F-150 ADD PRO® CHASE RACK

C1160030601NA

STEALTH FIGHTER®

The ADD Stealth Fighter Bumper makes your truck look fast, even while standing still. By combining the tubing of a traditional pre-runner bumper and the encapsulating panel design, it gets a very innovative style that leaves jaws dropping everywhere you go. We want you to feel personal about your truck and proud to own ADD products.

STEALTH™

Addictive Desert Designs Stealth Front Bumper intensifies and electrifies the front of any-and-all 2018-2020 Ford F150s. The modern plate steel design contours OEM body lines perfectly, giving your truck an off the assembly-line look. With an aggressive yet functional look provided by our high-clearance design, the Stealth Front Bumper is built for the offroad.

**18 - UP FORD F-150
STEALTH™ FRONT BUMPER**

F180082090103

STEALTH™ R

FORD

Our signature *Stealth™* style bumper with a radius design, the *Stealth R™* is a formed tube front bumper. Built from .120 wall steel tubing and laser cut aluminum panels, the *Stealth R™* bumper gives your Ford additional front-end protection and increased approach angle.

17 - UP FORD SUPER DUTY STEALTH R™ FRONT BUMPER

F163792870103

18 - UP FORD F-150 STEALTH R™ FRONT BUMPER*

F183772890103

Available in both frame cut and bolt-on configurations, the ADD PRO gives the ultimate in clearance and approach angle. The main tubes remain flush to the front of your truck, giving a sleek and low profile appearance.

SUSPENSION & PERFORMANCE

FRONT SUSPENSION KIT

UPPER CONTROL ARMS

ADD *Upper Control Arms* are designed to allow camber and caster adjustments and perfect alignment, improving handling off-road.

- 1.5" Uniball at the Knuckle
- 7/8" Rod Ends at the frame side
- Can be used alone or together with full suspension kit
- 100% CAD Designed
- Sold as a Pair, All Hardware Included

Part Number: U11606NA03

Part Number: U11658NA03

LOWER CONTROL ARMS

ADD *Lower Control Arms* are designed to be compatible with full ADD suspension kit or stock components.

- 1.5" Uniball at the Knuckle
- 1" Uniball Mount at the frame
- Retains Factory Sway Bar
- Includes Limit Strap Mount
- Sold as a Pair

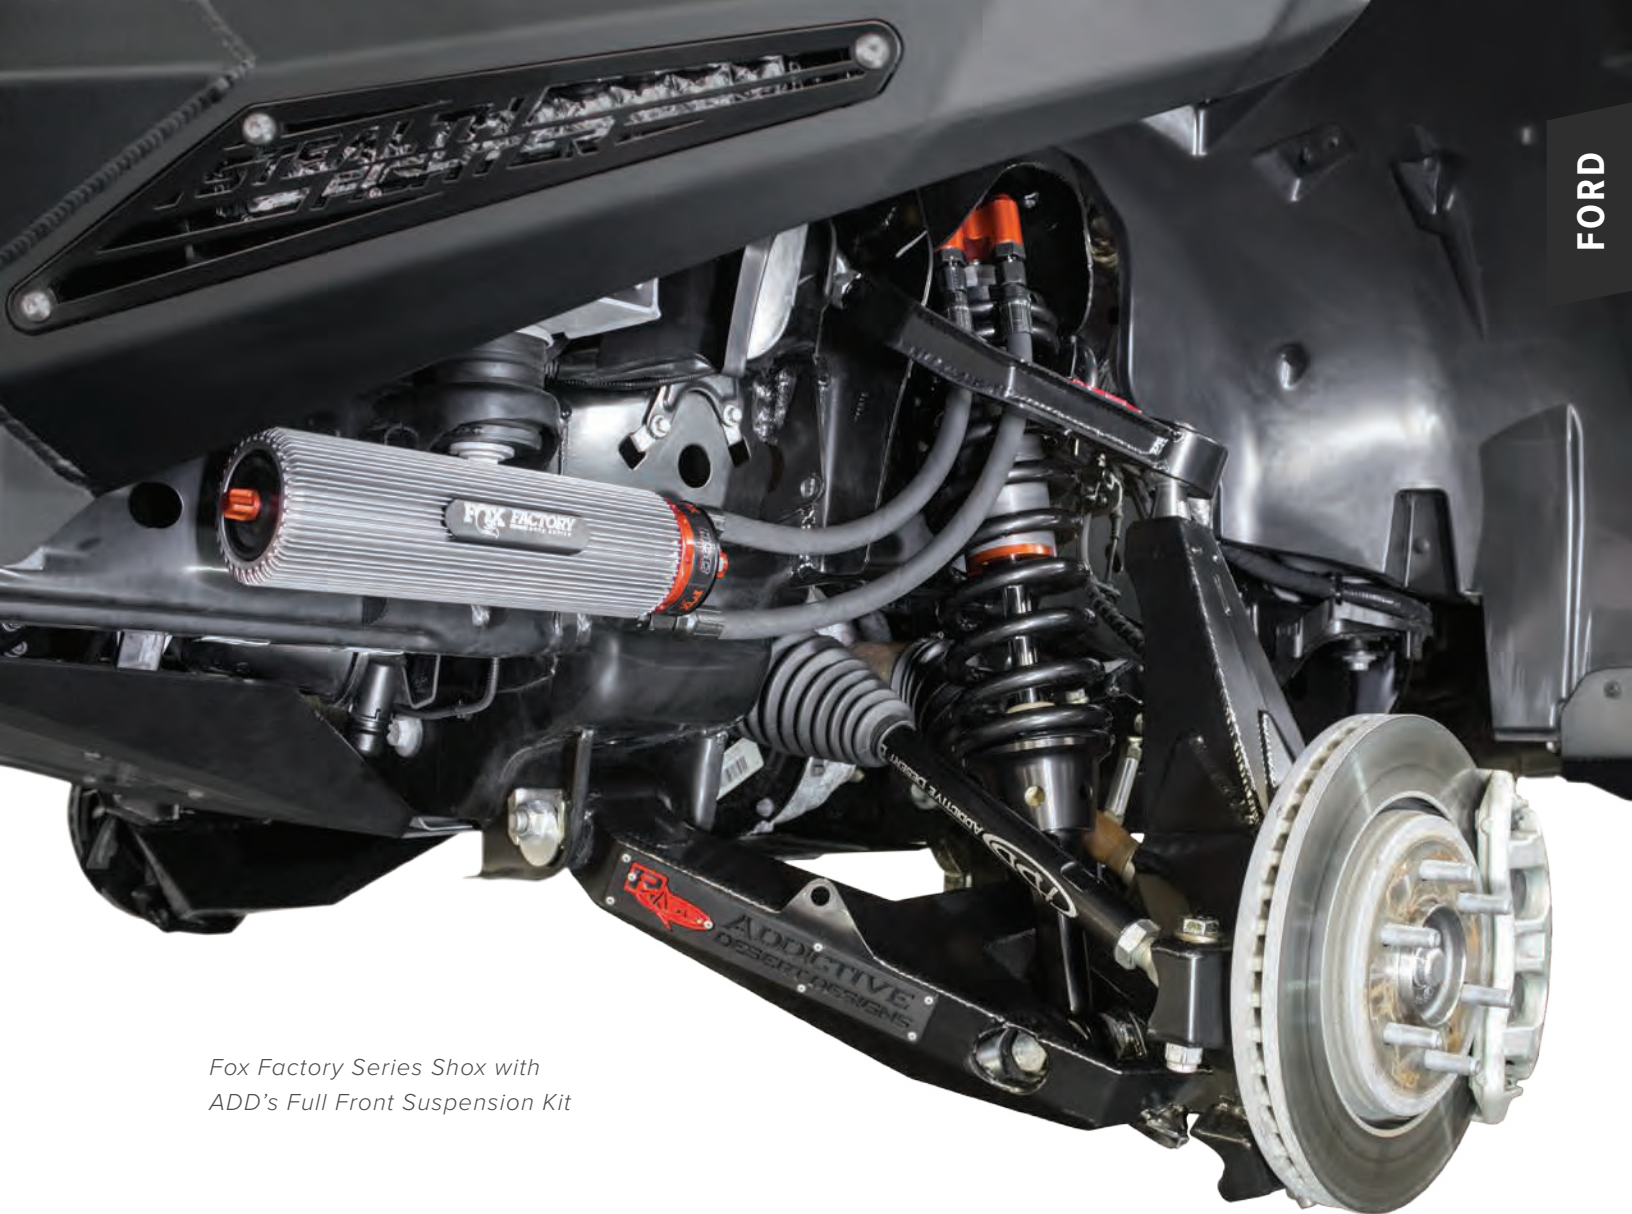

HD TIE ROD KIT

The *HD Offroad Tie Rod Kit* was designed to reduce bump steer and stabilize the steering of the Ford Raptor under extreme conditions.

- Designed to reduce bump steer
- Stabilizes Steering under extreme conditions
- Heim Joint end reduce slack
- Billet Aluminum Links absorb shock and take more abuse than the factory steel rods

Part Number: AC01150299NA

*Fox Factory Series Shox with
ADD's Full Front Suspension Kit*

STOCK REPLACEMENT SPINDLE

The ADD *Stock Replacement Spindle* will work with both stock and replacement upper / lower control arms, tie-rod ends, and brake kits.

- *Integrated progressive turn stop maintains factory turning radius*
- *Direct replacement for OEM spindle*
- *Designed for optimal strength and durability*
- *Rigorously evaluated and cycled in Solidworks*
- *Upper and Lower Mounts machined 4130 Chromoly*
- *Baja Tested and Approved*

Part Number: U01670NA03

SUSPENSION & PERFORMANCE

BUMP STOP KIT, PERFORMANCE, & ACCESSORIES

Part Number: IC1650KIT

ADD INTERCOOLER UPGRADE KIT BY AFE

Maximize air flow and enhance horsepower and torque with the Intercooler Upgrade Kit. This Kit is necessary for *ADD Winch Option Front Bumpers* and the *ADD Pro® Front Bumper*.*

- CARB Compliant (EO D-812)
- 8.5% more flow over the nearest competitor
- Beefy steel mounting beam
- Optimized mount design for frame cut & winch bumpers
- 18 Core Intercooler
- 100% TIG Welded
- Fits 2017 - UP Ford Raptor

ADAPTIVE CRUISE CONTROL BRACKET

Relocates your adaptive cruise control module on your Ford trucks to be compatible with all Addictive Desert Designs front bumpers.

- Relocates Adaptive Cruise Control Module
- For 2015 - UP Ford F-150, 2017 - UP Raptor, and 2017 - UP Super Duty
- Compatible with all ADD Front Bumpers
- Powdercoated Satin Black
- Mounts Concealed Behind Front Grille

* See Safety Disclaimer

Part Number: AC18152503NA

F-SERIES BED CAGE

The *New Bed Cage* for the F-Series Trucks makes getting all of your gear out to the races or weekend on the trail easy, while looking incredible doing it!

- Hammer Black with Satin Black Powdercoating
- Spare Tire Carriers will fit up to a 37" Tire
- Spare Tire Carriers measures 13" Wide
- Laser Cut Panels, Tabs and Plates for a Precise Fit
- Direct Fit - No Cutting or Welding Required
- Stainless Steel Hardware

Part Number: U11952NA03

BUMPER STOP KIT

Soak up the big bumps in your Raptor without breaking the bank. The ADD *Bump Stop Kit* is designed specifically for the all-new Raptor.

- FOX Bump Stops with 2.5" stroke
- Bolt-on strike pads mount to your axle
- Can mounts and cross member bolt to your frame
- Prevents your rear suspension from bottoming out
- Provides additional strength to the section of frame on which it's mounted
- Direct Bolt-On

Fox Factory Series Shock with ADD's Bump Stop Kit

Addictive Desert Designs *ADD-Lander Overland Rack* for the Jeep Gladiator JT takes form and function to a whole new level. The rack uses a combination of tube and plate steel to create a unique look. The side rails and center cross members offer a series of slotted mounting holes to allow the use of almost any off-road accessory.

ALL MAKES UNIVERSAL PRODUCTS ALL YEARS

ACCESSORIES

UNIVERSAL

The Addictive Desert Designs ADD-Lander overland rack is now available for all full-size pickup trucks (with some exceptions). The universal design uses a clamp mounting system, so there is no drilling into your bed rails required for installation.

FEATURES

- Tube and Plate Steel Construction
- Universal Fitment to Cover a Wide Range of Vehicles
- Slotted Cross Members and Side Rails Accept Most Accessory Mounts
- Fits Most Popular Rooftop Tents
- Uses a Clamp Mounting System *(No Drilling Required)*

FITMENTS

- RAM 1500/2500/3500 series
- Chevy Silverado 1500/2500/3500 series
- GMC Sierra 1500/2500/3500 series
- Ford F-150/F-250/F-350 series
- *(Excludes Tundra)*

UNIVERSAL TIRE CARRIERS

Is your spare tire too large to fit in the OEM location? Our universally designed tire carrier that will fit most modern truck beds fixes this problem. With the ability to hold a 33" to 40" tire, up to 14" actual tire width measurement, our universal tire carrier installs into your truck bed to hold your spare.

STEALTH FIGHTER CHASE RACK

The *Stealth Fighter* is a lightweight chase rack that gives your truck a unique style without adding bulk. The fully bolt-on design creates an easy installation with no drilling required.
