

Akrapović's product line includes products regulated by national and international emission regulations. Akrapović makes every effort to label regulated products and identify if they are for competition-use only or for general street/highway use in the regulated area. However, Akrapović does not make any statement of compliance for products that do not have an explicit compliance label.

CARB RP

Means that such product is "CARB compliant", i.e. compliant with the requirements of the Air Resources Board of the California Environmental Protection Agency. Products marked as CARB compliant are considered replacement parts under CARB regulations.

EPA

Means that such product meets the EPA noise standard as set forth by the United States Code of Federal Regulations, Title 40, Chapter I, Part 205, Subpart E (80 dBA).

ECE

For motorcycle exhaust systems: Means that such product is compliant with the requirements of the United Nations Regulation ECE-R92 on Uniform provisions concerning the approval of non-original replacement exhaust silencing systems (RESS) for motorcycles, mopeds and three-wheeled vehicles.

For car exhaust systems: Means that such product is compliant with the requirements of the United Nations Regulation ECE-R59 on Uniform provisions concerning the approval of replacement silencing systems.

EC

Means that such product is compliant with the applicable requirements of the European Union Directive EC 97/24 or the European Commission Delegated Regulation (EU) No. 134/2014 supplementing Regulation No. 168/2013 (EU) of the European Parliament and of the Council as indicated in the attached EC type approval document in the package and available on the product website.

ABE

Means that such product is compliant with the requirements of the German Type Approval, paragraph 20 of the StVZO.

SA

Means that such product meets the USA Forest Service Standard for spark arresters FS5100-1.

**WARNING:**

Because of the world-wide distribution of Akrapovič d.d. products, neither Akrapovič d.d. nor any of its subsidiaries make any representation that the products comply with the air and/or noise emissions laws, or labeling laws, of any jurisdiction. The purchasers are entirely responsible for informing themselves of the applicable laws where the products are to be used and to comply with those law.

**WARNING / USA:**

Various U.S. states and the U.S. federal government have individual laws regulating the use of aftermarket exhaust parts and systems, especially as those parts and systems modify, remove, or replace original equipment catalysts. Please consult the appropriate laws in your area before installing any aftermarket part or system on your vehicle to ensure compliance with all applicable laws. Neither Akrapovič d.d., Akrapovič America LLC nor any of their subsidiaries or the sellers of the parts or systems make any representation that any of their parts or systems comply with any such laws.

**WARNING / California:**

California laws prohibit the use of any aftermarket exhaust part or system that modifies, removes or replaces original equipment catalysts unless the California Air Resources Board has issued an Executive Order regarding such part or system or unless the part or system is exempted by being used only on racing vehicles on closed courses. Neither Akrapovič d.d., Akrapovič America LLC nor any of their subsidiaries make any representation that any of their parts or systems has received such an Executive Order or that any of their parts or systems conform with the racing vehicles exemption. The purchasers are entirely responsible for informing themselves of applicable California laws and to comply with those laws.
