CATALOG 21

INDEX

CLASSIC BILLET PARTS MADE IN THE USA.

Front Drive Systems	4-37	Interior Accessories	44-55
Chevy Big Block	20-21	Ash Tray Handles	47
Chevy Big Block, Supercharger	36	Column Drops	54-55
Chevy Small Block	5-7	Cup Holders	50
Chevy S-Block Serpentine Conv Kit	37	Dimmer Switch Covers	46
Chevy LS1, 2, 3, 6 & 7	8-9	Door Lock Knobs	51
Chevy LS No AC & with PS	10-11	Door Pullstrap Covers	46
Chevy LSA	14-15	Door/Window Crank Handles	44-45
Chevy LS(x)	12-13	Gauge Holders	53
Chevy LT4	16-17	Shift Knobs & Handles	48-49
Chevy LS Vortech Supercharger	18-19	Steering Wheels	52
Chrysler/Hemi Big Block	32-33	Visor Clips	47
Chrysler Small Block	30-31		
Ford 351 Cleveland	28-29	Exterior Accessories	59-63
Ford Big Block	26-27	Door Jamb Vents	59
Ford FE	24-25	Door Props	61
Ford Small Block	22-23	Emblem Sets	62
Hemi 5.7 & 6.1	34-35	Gas Doors	61
		Sider Marker Bezels	59
Engine Accessories	38-43	Tail Light Bezels	59
Air Compressors	38	Tail Gate Latches	60
Air Cleaner Nuts	40	Washers & Washer Kits	63
Alternators	38	Windshield Wiper Post Covers	60
AC/Heater Bulkheads	40		
Fuel Block Offs	43	Suspensions	64-66
Hose Kits	38-39	Crossmember, 63-87 C-10	66
Oil Breathers	42	Crossmember, 63-72 GM	
Power Steering	39-40	Carrier Bearing, Adjustable, Bolt-On	65
Radiator Overflow Tanks	40	Front Suspension, Chevy 63-72 C10	64
Spark Plug Wire Looms	43	Front Suspension, 67-72 F-100	66
Spark Plug Wire Separators	43	Rear, 67-72 Chevy, Air Bag Kit Bolt-On	65
Valve Cover Conv Kit LS-SB Chevy	42	Trailing Arms, Rear 60-72, Chevy C-10	64
Water Pumps	38	Watts Link Kit, 63-72 GM Bolt-On	65
Ford Bronco Parts	56-58	Hood Hinges	67-69
Door Cups, Interior	58	55-80 Chevy Hood Hinges	67-69
Door Handles, Exterior	58	Lowered Hood Hinges	68
Door Panels	56-57		
Door Panels, Rear Interior	56	Miscellaneous	70-71
Handles, Universal	57	Website info	70
Steering Column Bezels	57	Terms & Conditions	71
Tailgate Latches	58

POWER STEERING BRACKETS

PG 40

SMALL BLOCK CHEVY SERPENTINE CONVERSION KIT

PG 37

Our serpentine conversion kits are a great way to upgrade your front drive accessories and clean up your engine.

Our kits convert V-belt pullies to the modern 6-rib serpentine belts and mount through the water pump for easy installation/adjustment. version features a short water pump, air conditioning and uses a type II power steering pump.

SERPENTINE KITS

POWER STEERING KITS INCLUDE RESERVOIR, BRACKET AND HARDWARE

All American Billet Serpentine Kits are a great way to clean up any engine compartment. Our kits come standard with High Quality Accessories and are made in the U.S.A. Brackets are made from 6061-T6 aluminum, and come in Machine Finish, Polished and "Silverline" Series.

MADE IN THE
U.S.A.

REMOTE RESERVOIR

For kit with Remote Reservoir
(Remote Reservoir is standard)
Example: [FDS-SBC-101](#)

ON-BOARD RESERVOIR

For kit with an On-Board Reservoir
substitute (5) in item number for (0)
Example: [FDS-SBC-151](#)

ALL AMERICAN BILLET

KITS INCLUDE

*(See individual listings as some kits may have additional parts
Timing Cover, Idler Pulleys, Harmonic Damper etc...)*

- REVERSE ROTATION WATER PUMP
- 6061-T6 ALUMINUM PULLEYS
- GATES SERPENTINE BELT
- STAINLESS STEEL HARDWARE
- TENSIONER WITH COVER
- POWER STEERING RESERVOIR (REMOTE OR ON-BOARD)
- LEFT OFFSET CS130 - 160 AMP, 1 WIRE ALTERNATOR
- PEANUT STYLE A/C COMPRESSOR (IF A/C KIT) (SANDEN SD7B10 STYLE)
- TYPE II POWER STEERING PUMP (1200 PSI, 3GPM RATING) (IF PS KIT)

POLISHED SMALL BLOCK CHEVY

KIT INCLUDES

- Corvette Style Short Water Pump as cast
- Polished 160 Amp, 1 wire alternator
- Polished 6061-T6 Aluminum Pulleys
- Polished 6061-T6 Brackets
- Tensioner with Polished Aluminum Cover
- Gates 6-Groove Belt & Stainless Steel Hardware
- Polished Peanut Style A/C Compressor (if A/C kit)
- Polished Power Steering Reservoir (if PS kit)
- Polished aluminum Type II Power Steering Pump (if PS Kit)

MADE IN THE
U.S.A.

- From front of block to front face of
- AC cover: 7.5"
 - alternator pulley: 6.625"
 - water pump pulley: 6.5"
 - crank pulley: 6.25"
 - power steering pulley: 6.5"

8.625"

(Add 2" for
On Board Res)

**Polished - With A/C
With Power Steering**
FDS-SBC-101

**Polished - With A/C
No Power Steering**
FDS-SBC-102

**Polished - No A/C
With Power Steering**
FDS-SBC-103

**Polished - No A/C
No Power Steering**
FDS-SBC-104

FITMENT NOTES:

*Requires factory timing cover for short water pump
85-91 Corvette factory application on water pump*

SILVERLINE SERIES SMALL BLOCK CHEVY

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Black 160 Amp, 1 wire alternator
6061-T6 Silverline Series Brackets
Corvette Style Short Water Pump As Cast
6061-T6 Silverline Series Aluminum Pulleys
Gates 6-Groove Belt & Stainless Steel Hardware
Black Peanut Style A/C Compressor (if A/C kit)
Black Aluminum Type II Power Steering Pump (if PS Kit)
Silverline Series Power Steering Reservoir (if PS kit)
Tensioner with Silverline Series Aluminum Cover

MADE IN THE
U.S.A.

Silverline Series - With A/C
With Power Steering
FDS-SBC-201

Silverline Series - With A/C
No Power Steering
FDS-SBC-202

Silverline Series - No A/C
With Power Steering
FDS-SBC-203

Silverline Series - No A/C
No Power Steering
FDS-SBC-204

FITMENT NOTES:

*Requires factory timing cover for short water pump
85-91 Corvette factory application on water pump*

MACHINED SMALL BLOCK CHEVY

KIT INCLUDES

- Corvette Style Short Water Pump As Cast
- 160 Amp, 1 wire alternator As Cast
- Peanut Style A/C Compressor (if A/C kit)
- Aluminum Type II Power Steering Pump (if PS Kit)
- Power Steering Reservoir (if PS kit)
- Tensioner with Aluminum Cover
- 6061-T6 Aluminum Pulleys
- Gates 6-Groove Belt & Stainless Steel Hardware
- 6061-T6 Brackets

MADE IN THE
U.S.A.

- From front of block to front face of AC cover: 7.5"
- alternator pulley: 6.625"
- water pump pulley: 6.5"
- crank pulley: 6.25"
- power steering pulley: 6.5"

**Machined - With A/C
No Power Steering**
FDS-SBC-302

**Machined - No A/C
With Power Steering**
FDS-SBC-303

**Machined - No A/C
No Power Steering**
FDS-SBC-304

FITMENT NOTES:

*Requires factory timing cover for short water pump
85-91 Corvette factory application on water pump*

POLISHED LS 1, 2, 3, 6 + LS7

KIT WITH TUFF STUFF WATER PUMP

POLISHED - WITH A/C & POWER STEERING

FDS-LS-101

FDS-LS7-101

KIT WITH EDELBROCK WATER PUMP

POLISHED - WITH A/C & POWER STEERING

FDS-LS-101-E

FDS-LS7-101-E

MADE IN THE
U.S.A.

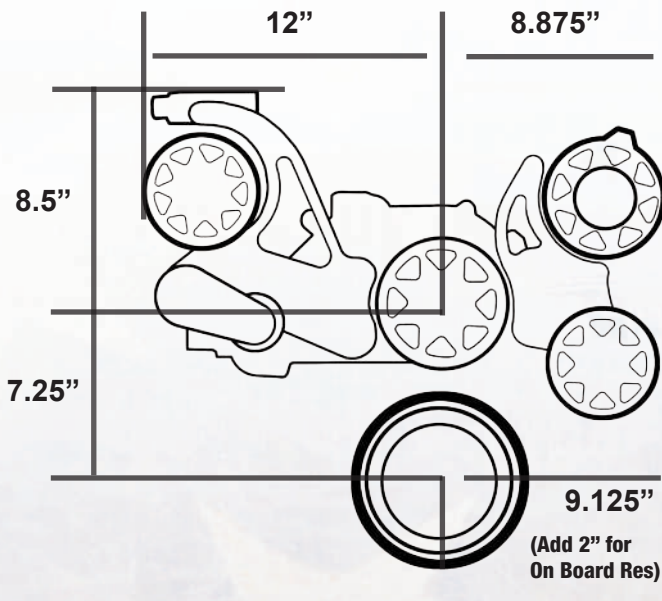

KIT INCLUDES

- Aluminum Water Pump
- Polished 160 Amp, 1 wire alternator
- Gates 6-Groove Belt & Stainless Steel Hardware
- Polished Peanut Style A/C Compressor
- Polished aluminum Type II Power Steering Pump
- Polished Power Steering Reservoir
- Tensioner with Polished Aluminum Cover
- Polished 6061-T6 Aluminum Pulleys
- Fluidampr Harmonic Balancer
- Polished 6061-T6 Brackets

From front of block to face of

AC Cover:	7.5"
Alt Pulley:	6.75"
Water Pump Pulley:	6.625"
Crank Pulley:	6.5"
PS Pulley:	6.625

FITMENT NOTES:

LS7 setup varies from other versions - LS7 - Specify LS7 setup on order

ECM tuning required

Requires 2004 and later two piece design thermostat not included in kit (GM PN 12600172 includes seal and thermostat)

Fits all Gen III and Gen IV LS style engines - LS1, LS2, LS3, LS6, LS7, L92, L99, LQ4, LQ9, LY6, L76, LSx....etc

(Does not fit with VVT - engine can be adapted to work with setup)

SILVERLINE SERIES LS 1, 2, 3, 6 + LS7

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Aluminum Water Pump
Black 160 Amp, 1 wire alternator
Fluidampr Harmonic Balancer
6061-T6 Silverline Series Brackets
6061-T6 Silverline Series Aluminum Pulleys
Black Peanut Style A/C Compressor
Gates 6-Groove Belt & Stainless Steel Hardware
Tensioner with Silverline Series Aluminum Cover
Silverline Series Power Steering Reservoir
Black Aluminum Type II Power Steering Pump

MADE IN THE
U.S.A.

KIT WITH TUFF STUFF WATER PUMP

"SILVERLINE" - WITH A/C & POWER STEERING

FDS-LS-201

FDS-LS7-201

KIT WITH EDELBROCK WATER PUMP

"SILVERLINE" - WITH A/C & POWER STEERING

FDS-LS-201-E

FDS-LS7-201-E

MACHINED LS 1, 2, 3, 6 + LS7

MACHINED KITS INCLUDE ALL COMPONENTS LISTED ABOVE (ACCESSORIES ARE CAST)

KIT WITH TUFF STUFF WATER PUMP

MACHINED - WITH A/C & POWER STEERING

FDS-LS-301

FDS-LS7-301

KIT WITH EDELBROCK WATER PUMP

MACHINED - WITH A/C & POWER STEERING

FDS-LS-301-E

FDS-LS7-301-E

POLISHED LS – NO AC, WITH POWER STEERING

KIT WITH TUFF STUFF WATER PUMP
POLISHED - NO AC & WITH POWER STEERING
FDS-LS-103

KIT WITH EDELBROCK WATER PUMP
POLISHED - NO AC & WITH POWER STEERING
FDS-LS-103-E

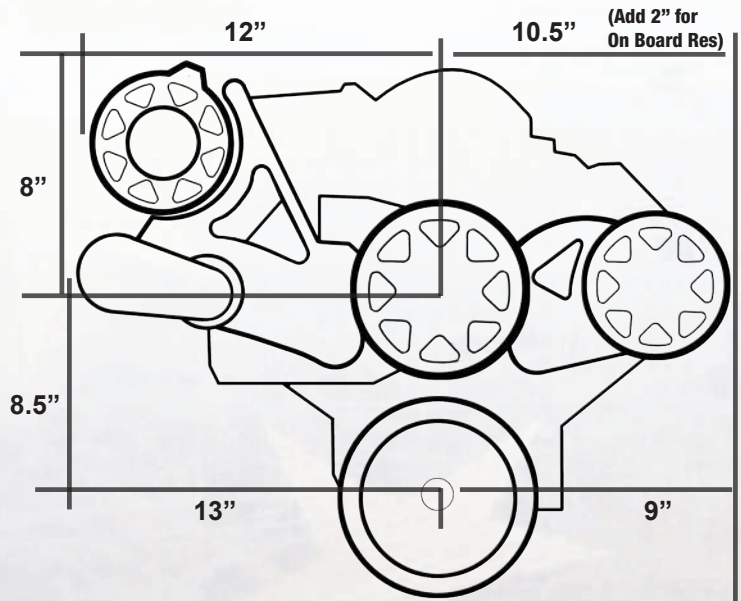

MADE IN THE
U.S.A.

KIT INCLUDES

Aluminum Water Pump
Polished 160 Amp, 1 wire alternator
Polished aluminum Type II Power Steering Pump
Polished Power Steering Reservoir
Tensioner with Polished Aluminum Cover
Polished 6061-T6 Aluminum Pulleys
Fluidampr Harmonic Balancer
Polished 6061-T6 Brackets
Gates 6-Groove Belt
Stainless Steel Hardware

From front of block to face of
AC Cover: 7.5"
Alt Pulley: 6.75"
Water Pump Pulley: 6.625"
Crank Pulley: 6.5"
PS Pulley: 6.625

FITMENT NOTES:

ECM tuning required

Requires 2004 and later two piece design thermostat not included in kit (GM PN 12600172 includes seal and thermostat)

Fits all Gen III and Gen IV LS style engines - LS1, LS2, LS3, LS6, LS7, L92, L99, LQ4, LQ9, LY6, L76, LSx....etc

(Does not fit with VVT - engine can be adapted to work with setup)

SILVERLINE SERIES LS - NO AC, WITH POWER STEERING

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Aluminum Water Pump
Black 160 Amp, 1 wire alternator
Black Aluminum Type II Power Steering Pump
Silverline Series Power Steering Reservoir
Tensioner with Silverline Series Aluminum Cover
6061-T6 Silverline Series Aluminum Pulleys
Fluidampr Harmonic Balancer
6061-T6 Silverline Series Brackets
Gates 6-Groove Belt & Stainless Steel Hardware

MADE IN THE
U.S.A.

IMPROVEMENT

KIT WITH TUFF STUFF WATER PUMP

"SILVERLINE" - NO AC & WITH POWER STEERING
FDS-LS-203

KIT WITH EDELBROCK WATER PUMP

"SILVERLINE" - NO AC & WITH POWER STEERING
FDS-LS-203-E

MACHINED LS - NO AC, WITH POWER STEERING

MACHINED KITS INCLUDE ALL COMPONENTS LISTED ABOVE (ACCESSORIES ARE CAST)

KIT WITH TUFF STUFF WATER PUMP

MACHINED - NO AC & WITH POWER STEERING
FDS-LS-303

KIT WITH EDELBROCK WATER PUMP

MACHINED - NO AC & WITH POWER STEERING
FDS-LS-303-E

POLISHED LSx

THIS KIT WAS DESIGN FOR ENGINE COMPARTMENTS THAT HAVE LESS SPACE IN FRONT OF THE ENGINE. THE ACCESSORIES ARE MOVED UP AND BACK FOR TIGHTER APPLICATIONS.

KIT WITH TUFF STUFF WATER PUMP

POLISHED - WITH A/C & POWER STEERING
FDS-LSX-101

KIT WITH EDELBROCK WATER PUMP

POLISHED - WITH A/C & POWER STEERING
FDS-LSX-101-E

MADE IN THE
U.S.A.

KIT INCLUDES

- Polished 6061-T6 Brackets
- Aluminum Water Pump as cast
- Polished 160 Amp, 1 wire alternator
- Polished Peanut Style A/C Compressor
- Polished 6061-T6 Aluminum Pulleys
- Tensioner with Polished Aluminum Cover
- Polished Remote Power Steering Reservoir
- Polished aluminum Type II Power Steering Pump
- Gates 6-Groove Belt & Stainless Steel Hardware

Timing Mounting Surface toward Front Face of:

- Crank Pulley: 4.125"
- Water Pump: 6.625"
- AC Cover: 5.125"
- Power Steering: 4.5"
- Alt Pulley: 4.25"

FITMENT NOTES:

- ECM tuning required - Requires 2004 and later two piece design thermostat not included in kit (GM PN 12600172 includes seal and thermostat)
- Fits all Gen III and Gen IV LS style engines (requires 1997-2013 Corvette balancer spacing or aftermarket equivalent)
- LS1, LS2, LS3, LS6, LS7, L92, L99, LQ4, LQ9, LY6, L76, LSX....etc
- (Does not fit with VVT - engine can be adapted to work with setup)
- Does not fit On-Board PS Reservoir

SILVERLINE SERIES LSx

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Aluminum Water Pump as cast
Black 160 Amp, 1 wire alternator
Black Peanut Style A/C Compressor
Black Aluminum Type II Power Steering Pump
6061-T6 Silverline Series Brackets
Gates 6-Groove Belt & Stainless Steel Hardware
Silverline Series Remote Power Steering Reservoir
Tensioner with Silverline Series Aluminum Cover
6061-T6 Silverline Series Aluminum Pulleys

MADE IN THE
U.S.A.

KIT WITH TUFF STUFF WATER PUMP
"SILVERLINE" - WITH A/C & POWER STEERING
FDS-LSX-201

KIT WITH EDELBROCK WATER PUMP
"SILVERLINE" - WITH A/C & POWER STEERING
FDS-LSX-201-E

MACHINED LSx

MACHINED KITS INCLUDE ALL COMPONENTS LISTED ABOVE (ACCESSORIES ARE CAST)

KIT WITH TUFF STUFF WATER PUMP
MACHINED - WITH A/C & POWER STEERING
FDS-LSX-301

KIT WITH EDELBROCK WATER PUMP
MACHINED - WITH A/C & POWER STEERING
FDS-LSX-301-E

POLISHED LSA

KIT INCLUDES

- Polished 6061-T6 Brackets & Pulleys
- Polished 160 Amp, 1 wire alternator
- Polished 6061-T6 Aluminum Pulleys
- Polished Peanut Style A/C Compressor
- Tensioner with Polished Aluminum Cover
- Polished Power Remote Steering Reservoir
- Polished aluminum Type II Power Steering Pump
- Gates 6-Groove Belt & Stainless Steel Hardware

From Front of Block to:

- AC Cover: 5"
- Power Steering Pulley: 4.5"
- Alt Pulley: 4.25"
- Supercharger Tensioner Cover: 6.5"

POLISHED - With A/C & POWER STEERING FDS-LSA-101

FITMENT NOTES:

LSA Supercharger 6.2L

SILVERLINE SERIES LSA

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Black 160 Amp, 1 wire alternator
Black Peanut Style A/C Compressor
Black aluminum Type II Power Steering Pump
Silverline Series 6061-T6 Brackets & Pulleys
Tensioner with Silverline Series Aluminum Cover
Gates 6-Groove Belt & Stainless Steel Hardware
Silverline Series Remote Power Steering Reservoir

MADE IN THE
U.S.A.

SILVERLINE SERIES - With A/C & POWER STEERING
FDS-LSA-201

MACHINED LSA

MACHINED KITS INCLUDE ALL COMPONENTS LISTED ABOVE (ACCESSORIES ARE CAST)

MACHINED - With A/C & POWER STEERING
FDS-LSA-301

POLISHED LT4

MADE IN THE
U.S.A.

KIT INCLUDES

- Polished 6061-T6 Brackets & Pulleys
- Polished 160 Amp, 1 wire alternator
- Polished Remote Power Steering Reservoir
- Tensioner with Polished Aluminum Cover
- Polished 6061-T6 Aluminum Pulleys
- Gates 6-Groove Belt & Stainless Steel Hardware
- Polished Peanut Style A/C Compressor
- Polished aluminum Type II Power Steering Pump

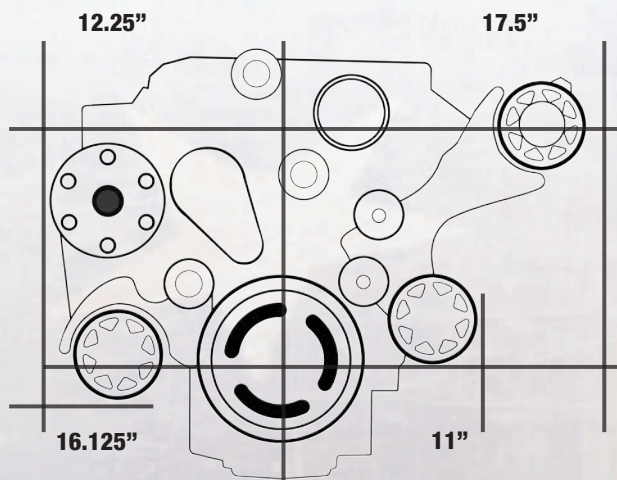

From Front of Block to:

AC Cover:	3.75"
Power Steering Pulley:	3.75"
Alt Pulley:	3.75"
Water Pump Pulley:	3.75"
Tensioner Cover:	6.5"

POLISHED - With A/C & POWER STEERING
FDS-LT4-101

16

SILVERLINE SERIES LT4

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Black 160 Amp, 1 wire alternator
Black Peanut Style A/C Compressor
Silverline Series 6061-T6 Brackets & Pulleys
Silverline Series Remote Power Steering Reservoir
Tensioner with Silverline Series Aluminum Cover
Gates 6-Groove Belt & Stainless Steel Hardware
Black aluminum Type II Power Steering Pump

MADE IN THE
U.S.A.

SILVERLINE SERIES - With A/C & POWER STEERING
FDS-LT4-201

MACHINED LT4

MACHINED KITS INCLUDE ALL COMPONENTS LISTED ABOVE (ACCESSORIES ARE CAST)

MACHINED - With A/C & POWER STEERING
FDS-LT4-301

POLISHED LS VORTECH SUPERCHARGER

MADE IN THE
U.S.A.

KIT WITH EDELBROCK WATER PUMP

POLISHED - WITH A/C & POWER STEERING
FDS-LSV-101

KIT INCLUDES

Mandrel bent aluminum discharge tube w/ clamps & silicone sleeves
Edelbrock Aluminum Water Pump
160 Amp, 1 wire alternator
Peanut Style A/C Compressor
Aluminum Type II PS Pump
Remote Power Steering Reservoir
Aluminum Pulleys & Brackets
Gates 6-Groove Belt
High-grade mounting hardware
V-3 Si supercharger with 3.60" 10-rib pulley
(CW rotation, curved discharge, passenger side mount)
Supercharger drive assembly
Integrated manual belt tensioner with sealed bearing
tensioner pulley and 10-rib belt
Billet aluminum 10-rib supercharger crank pulley
with hard anodize finish (6" diameter)
Crank pulley spacer- (compatible with the SUM-C2501
serpentine drive Supercharger air inlet filter)
Vortech Maxflow Race Bypass Valve with filter
Aluminum mounting bracket provide rigid supercharger mounting
Includes all necessary silicone couplers, clamps and hardware

Forward from Timing Mount Face:

Crank Pulley:	6.175"
Water Pump:	6.625"
AC Cover:	5.125"
Power Steering:	4.5"
Alt Pulley:	4.25"
Lower Idler:	4.25"
Upper Idler:	4.125"

FITMENT NOTES

*Fits all Gen III and Gen IV LS style engines LS1, LS2, LS3, LS6, LS7, L92, L99, LQ4, LQ9, LY6, L76, LSx....etc
(Does not fit with VVT - engine can be adapted to work with setup)*

Supplied pulley ratio will produce approximately 8-10 psi @ 6000 RPM on a typical LS1, LS2

Horsepower gains (dependent on engine size) 30-75+ %

Designed for vehicles equipped with fuel injected Chevrolet engines using LS1, LS2 style intake manifold

SILVERLINE SERIES LS VORTECH SUPERCHARGER

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Supercharger drive assembly
Edelbrock Aluminum Water Pump
Black 160 Amp, 1 wire alternator
Black Peanut Style A/C Compressor
Aluminum Type II PS Pump
Remote Power Steering Reservoir
Silverline Series Pulleys & Brackets
Gates 6-Groove Belt
High-grade mounting hardware
V-3 Si supercharger with 3.60" 10-rib pulley (CW rotation, curved discharge, passenger side mount)
Mandrel bent aluminum discharge tube w/ clamps & silicone sleeves
Integrated manual belt tensioner with sealed bearing tensioner Silverline Series pulley and 10-rib belt
Black Billet aluminum 10-rib supercharger crank pulley with hard anodize finish (6" diameter)
Crank pulley spacer- (compatible with the SUM-C2501 serpentine drive Supercharger air inlet filter)
Vortech Maxflow Race Bypass Valve with filter
Aluminum mounting bracket provide rigid supercharger mounting
Includes all necessary silicone couplers, clamps and hardware

KIT WITH EDELBROCK WATER PUMP

"SILVERLINE" - WITH A/C & POWER STEERING

FDS-LSV-201

MADE IN THE
U.S.A.

LS VORTECH REQUIREMENTS

Engine calibration
New Thermostat (2004-later two piece design)
Straight Style Thermostat Housing (ex. Mr Gasket P/N - 2671)
1/2" NPT 45 degree heater hose fitting
Fuel system - Fuel Lines (-6 or larger)
Fuel Pressure Regulator (Boost reference style)
Fuel Pump (340lph or larger)
Fuel Injectors (42lbs or larger)
Fuel Filter (capable to handle higher flow)
3/8" NPT 90 degree heater hose fitting
1/2" NPT 45 degree heater hose fitting

MACHINED LS VORTECH SUPERCHARGER

MACHINED KITS INCLUDE ALL COMPONENTS LISTED ABOVE (ACCESSORIES ARE CAST)

KIT INCLUDES

- Aluminum Water Pump as Cast
- Polished 160 Amp, 1 wire alternator
- Polished Peanut Style A/C Compressor (if A/C kit)
- Polished aluminum Type II Power Steering Pump (if PS Kit)
- Polished Power Steering Reservoir (if PS kit)
- Gates 6-Groove Belt & Stainless Steel Hardware
- Tensioner with Polished Aluminum Cover
- Polished 6061-T6 Aluminum Pulleys
- Polished 6061-T6 Brackets

From front of block to face of:

Crank Pulley:	4.125"
AC Cover:	7.25"
Alt Pulley:	6.3125"
Water Pump Pulley:	6.375"
Crank Pulley:	6.25"
PS Pulley:	6.375"

FITMENT NOTES:

Note 65-72 factory Big Block short fitment on water pump

SILVERLINE SERIES BIG BLOCK CHEVY

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

MADE IN THE
U.S.A.

KIT INCLUDES

Aluminum Water Pump as Cast
Black 160 Amp, 1 wire alternator
6061-T6 Silverline Series Aluminum Pulleys
6061-T6 Silverline Series Brackets
Black Peanut Style A/C Compressor (if A/C kit)
Tensioner with Silverline Series Aluminum Cover
Gates 6-Groove Belt & Stainless Steel Hardware
Silverline Series Power Steering Reservoir (if PS kit)
Black Aluminum Type II Power Steering Pump (if PS Kit)

MADE IN THE
U.S.A.

KIT INCLUDES

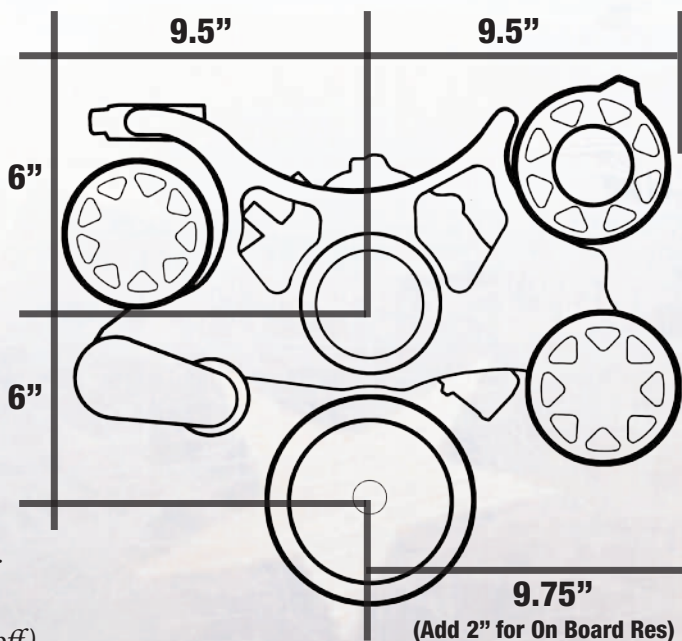

- Aluminum Water Pump
- Aluminum Timing Cover
- Polished 6061-T6 Brackets
- Polished 160 Amp, 1 wire alternator
- Polished Peanut Style A/C Compressor (if A/C kit)
- Polished Aluminum Type II Power Steering Pump (If PS Kit)
- Polished Remote Power Steering Reservoir (if PS kit)
- Tensioner with Polished Aluminum Cover
- Polished 6061-T6 Aluminum Pulleys
- Gates 6-Groove Belt & Stainless Steel Hardware

From front of block to front face of:

AC cover:	8.25"
alternator pulley:	7.625"
water pump pulley:	8.625"
water pump pulley:	8.625"
crank pulley:	7.25"
power steering pulley:	7.625"

FITMENT NOTES:

- Fits All Windsor Engines - 260, 289, 302, 351w, 5L.*
- Includes timing cover (MUST USE)*
- 90 degree thermostat housing recommended*
- Note 86-91 Mustang water pump fitment*
- Requires 4 bolt 6.4" diameter, 3.950" length crank damper*
- Retains mechanical fuel pump (includes block off)*
- Retains dipstick provision in timing cover (includes block off)*

SILVERLINE SERIES SMALL BLOCK FORD

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

MADE IN THE
U.S.A.

KIT INCLUDES

- Aluminum Timing Cover
- Black 160 Amp, 1 wire alternator
- 6061-T6 Silverline Series Brackets
- Aluminum Reverse Rotation Water Pump
- 6061-T6 Silverline Series Aluminum Pulleys
- Black Peanut Style A/C Compressor (if A/C kit)
- Tensioner with Silverline Series Aluminum Cover
- Gates 6-Groove Belt & Stainless Steel Hardware
- Silverline Series Power Steering Reservoir (if PS kit)
- Black Aluminum Type II Remote Power Steering Pump (If PS Kit)

MADE IN THE
U.S.A.

KIT INCLUDES

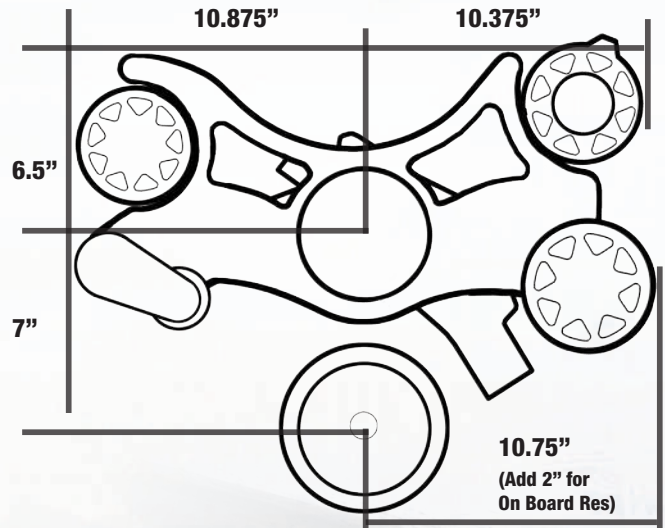

Polished 6061-T6 Brackets
Polished 160 Amp, 1 wire alternator
Polished 6061-T6 Aluminum Pulleys
Tensioner with Polished Aluminum Cover
Aluminum Reverse Rotation Water Pump
Polished Power Steering Reservoir (if PS kit)
Polished Peanut Style A/C Compressor (if A/C kit)
Polished Aluminum Type II Power Steering Pump (if PS Kit)
Gates 6-Groove Belt & Stainless Steel Hardware

From water pump mounting surface to front face of:

AC cover:	8"
alternator pulley:	7.125"
water pump pulley:	8.125"
crank pulley:	7.125"
power steering pulley:	7.25"

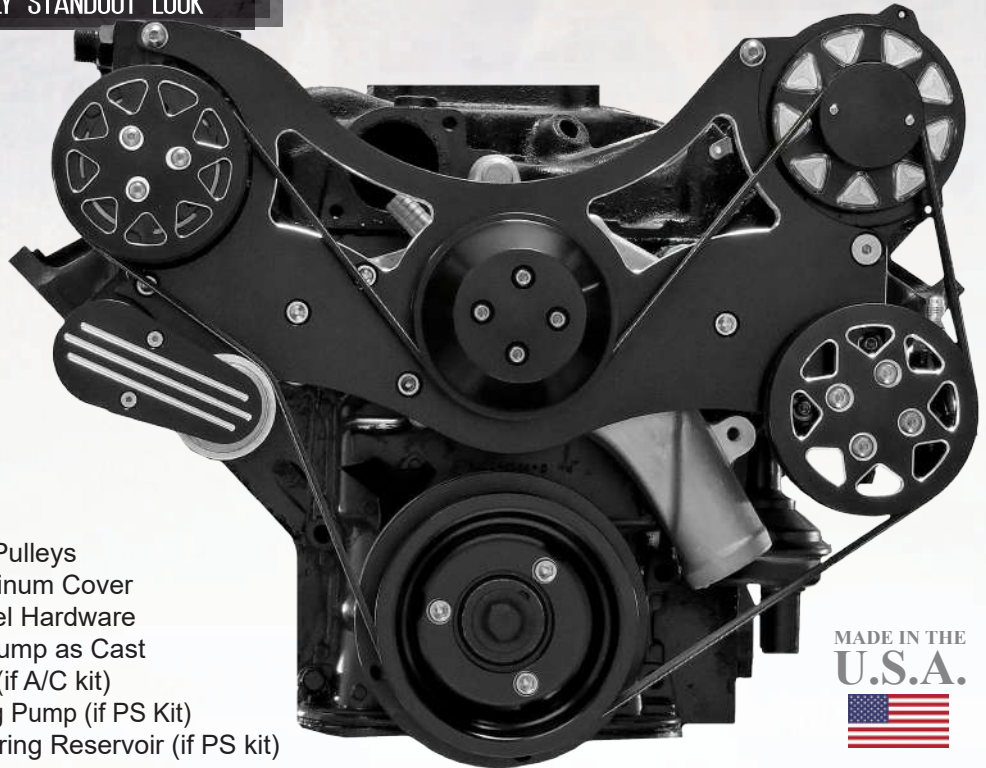

FITMENT NOTES:

*Fits 1965-1976 390ci/427ci/428ci Ford FE based engines
Requires later style FE crank damper (not included in kit)*

SILVERLINE SERIES FORD FE

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

MADE IN THE
U.S.A.

KIT INCLUDES

Black 160 Amp, 1 wire alternator
6061-T6 Silverline Series Brackets
6061-T6 Silverline Series Aluminum Pulleys
Tensioner with Silverline Series Aluminum Cover
Gates 6-Groove Belt & Stainless Steel Hardware
Aluminum Reverse Rotation Water Pump as Cast
Black Peanut Style A/C Compressor (if A/C kit)
Black Aluminum Type II Power Steering Pump (if PS Kit)
Silverline Series Remote Power Steering Reservoir (if PS kit)

**Silverline Series - With A/C

FDS-BBF-103

KIT INCLUDES

Polished 6061-T6 Brackets
Polished 160 Amp, 1 wire alternator
Polished 6061-T6 Aluminum Pulleys
Ford Racing water pump backing plate
Cast Iron Reverse Rotation Water Pump
Tensioner with Polished Aluminum Cover
Gates 6-Groove Belt & Stainless Steel Hardware
Polished Peanut Style A/C Compressor (if A/C kit)
Polished Power Steering Reservoir (if PS kit)
Polished aluminum Type II Power Steering Pump (if PS Kit)

MADE IN THE
U.S.A.

From front of block to front face of:

A/C Cover:	8.375"
Alt Pulley:	7.25"
Water Pump Pulley:	8.5"
Crank Pulley:	7.125"
PS Pulley:	7.5"

FITMENT NOTES:

*Reverse rotation, high flow cast water pump
Includes Ford Racing water pump backing plate
Retains mechanical fuel pump
Retains dipstick in timing cover
Requires factory dimensions crank damper*

SILVERLINE SERIES BIG BLOCK FORD

SILVERLINE SERIES KITS WERE DESIGNED TO GIVE ANY ENGINE THAT AGGRESSIVE BLACK STYLE HIGHLIGHTED BY MACHINED FINISHED AREAS FOR A TRULY STANDOUT LOOK

KIT INCLUDES

Black 160 Amp, 1 wire alternator
6061-T6 Silverline Series Brackets
Cast Iron Reverse Rotation Water Pump
Ford Racing water pump backing plate
6061-T6 Silverline Series Aluminum Pulleys
Tensioner with Silverline Series Aluminum Cover
Gates 6-Groove Belt & Stainless Steel Hardware
Black Peanut Style A/C Compressor (if A/C kit)
Silverline Series Power Steering Reservoir (if PS kit)
Black Aluminum Type II Power Steering Pump (if PS Kit)

MADE IN THE

BIG BLOCK CHEVY SUPERCHARGER

TAKE THE GUESS WORK OUT OF INSTALLING A SUPERCHARGER WITH OUR BOLT-ON KIT

Our kit includes the supercharger drive assembly, bypass valve, water pump, alternator, A/C compressor, power steering pump, belts, brackets, spacers, tensioners and hardware in one easy-to-install kit. Available in Polished, Silverline Series or Machined Finish.

KIT INCLUDES

- Bypass Valve
- Tensioners with Covers
- 6061-T6 Brackets
- Supercharger Drive Assembly
- Short Aluminum Water Pump as Cast
- 160 Amp, 1 wire alternator
- 6061-T6 Aluminum Pulleys
- Gates Serpentine Belts (6 & 10 Groove)
- Power Steering Reservoir
- Peanut Style A/C Compressor
- Aluminum Type II Power Steering Pump

SMALL BLOCK CHEVY SERPENTINE CONVERSION KIT

ATTENTION: TO BE FITTED TO YOUR ENGINE, YOU MUST FIRST REMOVE THE WATER PUMP AND SERPENTINE BELT FROM YOUR ENGINE.

All American Billet Serpentine Conversion Kits are a great way to upgrade your front drive accessories and clean up your engine. Our kits convert V-belt pulleys to the modern 6-rib serpentine belts. They mount through the water pump for easy installation and are easily adjusted. Kits are designed for the long water pump and include alternator bracket (fits GM alternators with 6 o'clock and 12 o'clock mounting, 6.6" diameter, not included), Saginaw Style power steering pump (on PS kits, not included), pulleys (alternator fan pulley with cover, water pump pulley, crank pulley, and PS pulley (if PS kit), spacers, belts and hardware). Available in machined finish or polished.

or

131151

or

131171

Too much flow in the power steering system can cause a "twitchy" feeling and also cavitation issues. If you are using our FDS with a Mustang II style rack and pinion, GM G Body steering boxes and some aftermarket steering boxes, you need a flow control valve. (**Mustang II Low Pressure Fitting**) This fitting will reduce flow from 3 GPM to approximately 2 GPM

LS TO SMALL BLOCK CHEVY CONVERSION KIT

Our Billet LS-to-Small Block Chevy valve cover adapters are designed to hide the ugly coil packs with Small Block Chevy valve covers. They work with 4 different coils (GM 12573190, 12558948, 12611424 and AC Delco D514A) and come with coil mounting hardware, oil plugs and PCV fittings. Uses stock valve cover hardware. Gaskets and valve covers not included. Sold in pairs.

NOTE - These conversions will NOT work with our LSA or LSX based kits. The alternator and AC will hit the valve covers.

LS-SBC-VCC

OIL BREATHERS

All American Billet oil breathers are machined from 6061-T6 billet aluminum and are polished to a mirror finish or available in our exclusive "Silverline" series. Available in ribbed or ball milled design.

'63-72' CHEVY C-10 FRONT SUSPENSION

Available in Coilover and Air Bag versions, Both versions are available with either billet aluminum or fabricate control arms and include: crossmember, control arms, upper control arm mounts, motor mounts, inner frame support, rack and pinion adapter, all hardware needed to install.

FITMENT NOTES:

Wheels = 19"+ or spacers may be needed to clear tie rod ends
Ride height (between bottom of frame and ground): 6" with a 30" tall tire and 2.5" drop spindles. Ride height can be adjusted by swapping spindles or changing tire and wheel size

Easy camber and caster adjustment

Narrows track width a total of 3"

Moves wheels forward for a more centered location with the wheel opening in the front fenders

Customers can later change to an airbag set up by simple changing or modifying the upper control arms mounts. Billet arms will require a bag plate

Crossmember will accept either manual or power rack and pinion (Mustang II style)

Completely bolt-on and does not require welding or frame notching for rack and pinion

Does not require modification of spindle for steering

Lower cross member ties into the upper control arm brackets, inner frame block and the motor mounts, creating a stronger assembly

Low profile design keeps the lowest part of the cross member above the lowest part of the frame rail

Air Bag version is designed for Slam Specialties RE-8 bags (not included)

FABRICATED ARMS WITH AIRBAGS

BILLET TRAILING ARMS

Get rid of those rusty and weak stock trailing arms and add style to your truck with these billet trailing arms. Arms are made from 6061-T6 billet aluminum and weigh approx. 20 lbs less than stock (per set). Includes 2 trailing arms, steel brackets, grade 8 hardware, spacers, new polyurethane bushings and instructions. Coilovers sold separately. Using 14" coilovers, drops the rear end approx. 4".

AS-655 Coilover Shock w/ hardware, bushings & sleeves (5/8")

'63-72' ADJUSTABLE TRAILING ARM/CARRIER BEARING

Adjustable Trailing Arm/Carrier Bearing for C10's. Bolts in at top and side of frame, rather than using bolts at bottom of frame. Exhaust ports will accept up to 3" diameter pipe. Raised center section to accommodate raised drive line.

Carrier bearing mounts will need to be used from stock crossmember. Multiple mounting locations for trailing arms.

6387GMATAACBC

GM Adjustable Trailing Arm/Carrier Bearing Crossmember

'63-72' CHEVY/GMC TRUCK BOLT-IN WATTS LINK KIT

Completely bolt-in watts link system for 1963 - 1972 C-10 trucks that will work with factory trailing arms and springs, or with our billet trailing arms and coilovers. This kit will keep the factory rear end centered throughout its travel while, providing a truss-like structure for the axle tubes. Our watts link kit will also allow for slight pinion adjustment and includes extra mounting holes at the frame brackets to maintain correct watts link geometry when going with a lower stance. Comes complete with Grade 8 hardware.

'63-'72 Chevy/GMC Truck Bolt-In
Watts Link with Fabricated Center Crank

6272GMWL

'60-62' GM BOLT-ON AIR BAG REAR SUSPENSION KIT

The only 100% bolt-on rear bag kit available for the 1960 - 1962 C-10 that will lay frame on the ground and retain a 6" ride height with air springs on a 30" tall tire. The kit comes standard with parallel four-link and a watts-link system to keep the axle centered throughout its travel. This kit also utilizes our 2-piece notch design, which creates a much stronger part by eliminating excessive welding. All parts are manufactured and engineered using precision equipment and CAD software. Comes complete with everything pictured, plus Grade 8 hardware.

6062GMRBK

'63-87' C10 TRANSMISSION CROSSMEMBER

Comes with everything needed to install, bolts in at the side of the frame rail. Multiple transmission mounting holes. Uses a 3/16" thick shim at both ends of the crossmember, making installation easier.

GM Transmission Crossmember
6387TC

'67-72' FORD F100 FRONT SUSPENSION

The 1967 - 1972 F-100 IFS kit is completely bolt-on, and eliminates the front I-beam suspension found on these trucks. This kit utilizes 2003+ Ford Crown Victoria ball joints, steering knuckles, hubs and brakes. Hub to hub width is about 62.5 inches, which is roughly 5 inches narrower than a stock Crown Victoria crossmember. A Mustang II style rack and pinion will replace the factory F-100 steering components and will allow the option to run either a manual or power rack. Both coilover and air bagged versions will yield a 6" ride height from the lowest part of the frame to the ground. The air bagged version will lay the lowest part of the F-100 frame on the ground, using a 29" tall tire.
