2019 URBAN LOOKBOOK

**alpine**

**astars**

---

Since '63 Alpinestars has led the pack in style, function and innovation. Our goal has always been to deliver unparalleled protection built into a premium product.

Drawing from our rich heritage and immersed in the contemporary attitude within motorcycle culture, we are introducing our 2019 Urban Collection. Inspired by our past and equipped for the future, the Urban Collection splits lanes between iconic and visionary.

From the start, Alpinestars makes the world with motorcycles a better place.

---

# 24 RIDE

TECH-AIR  
COMPATIBLE

## - JACKET -

The quintessential motorcycle hoodie with the ultimate in rider protection – Tech-Air Street.

Poly knitted shell hoodie with reflective trims that runs across chest, arms and back.

# META

---

## - JACKET -

Modern urban commuting motorcycle jacket inspired by outdoor performance outerwear.

Exterior shell constructed from genuine buffalo leather and performance poly-fabric including a Drystar® waterproofing membrane.

Includes Level 1 CE certified Bio-Light shoulder and elbow protectors and compartments for optional chest and back protectors.

# GAL

---

## - JACKET -

Full grain leather main shell construction with natural finish for abrasion resistance, durability and a soft luxurious feel.

Flannel internal lining offers versatile weather protection in colder climates.

Includes Level 1 CE certified Bio-Light shoulder and elbow protectors.

# VIKA

---

## - SUIT -

Fashion meets function with the Vika riding outfit, including jacket, pants, gloves and boots.

Proprietary design pattern visually & physically thins, lengthens and flatters the female figure.

Removable CE-certified heat-and- impact-sensitive shoulder and elbow protectors.

# BANSHEE

---

## - LEGGING -

Contemporary-styled ladies riding legging, constructed with a hi-stretch fabric shell.

Equipped with full aramidic fiber lining and designed with according stretch panels in the knees for increased comfort for riding.

Includes removable CE protectors for the knees and prepared for a set of hip protectors, as well as reflective detailing sewn into the leg hem.

# STELLA JULIE

---

## - JACKET -

Offers excellent protection against not only wet weather but with a removable thermal liner and airflow vents.

This advanced poly-textile jacket is also highly optimized for cold and warm weather riding conditions.

Includes Level 1 CE certified Bio-Light shoulder and elbow protectors and compartments for optional Nucleon back protector.

# STELLA SEKTOR

---

## - JACKET -

Modern urban commuting motorcycle jacket inspired by outdoor performance outerwear.

Constructed with a water resistant main shell material, with stylish reflective detailing on the sleeves and back.

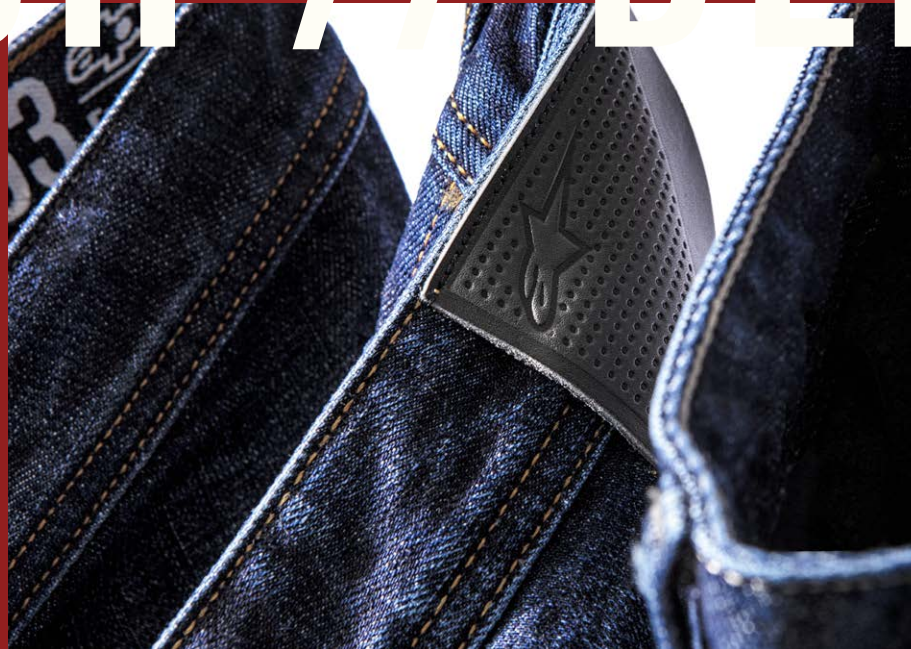

Includes Level 1 CE certified Bio-Light shoulder and elbow protectors and compartments for optional back protectors.

# TECH // DENIM

---

## - DENIM -

Custom designed for motorcycle riding.

Protection includes Dupont Kevlar fiber reinforced panels in the seat and knee areas.

CE certified knee protection with removeable foam hip protection pads.
