

Coltrane - Audio Cabinet with Lift Top for Turntable

AV Component Cabinet - Bell'O

Store all your AV components in this beautiful Coltrane audio cabinet with Gray tinted glass doors. The Espresso Pine finish and Gun Metal hardware make this piece a modern addition to your entertainment space. The lift top opens to a near vertical position for easy access of your record player or other media device. The lift top is powered by strong gas springs to keep the top stable in any position and prevents it from accidentally falling. This audio cabinet also accommodates three or more AV components. The adjustable wood shelves allow you to customize your storage space to your unique preference. An integrated cable management system consists of two removable rear panels for easy access and management of wires and cables, as well as holes for cable routing.
