

Instructions: RV Tank Cover

⚠ CAUTION!

This cover is for storage use only, not for use while you are driving or transporting your RV. Use while driving will invalidate your warranty.

Installation

1. Cover or tape any sharp edges on the tank that could wear against your cover.
2. Connect the two board inserts with the two plastic connectors to form one piece as shown. Slide the boards inside the top of your RV Tank Cover into the sleeve provided. With the zipper in front, pull the tank cover down over your tank. Secure the bottom and close the zipper.

Use and Storage

Never store a wet cover in a confined area as the cover can be damaged by mildew.

Care

Spot clean with water, a mild soap and a sponge. Don't use abrasive cleaners or brushes.
