

New Item

LED Dome Light Kit

Part # **RT28042**

Made in the USA

Installs in place of OEM dome light bulbs

Direct-Fit

No Cutting or Splicing Necessary

Replace your vehicle's dim, yellow dome lights with a set of LED Dome Lights by . Each light features 2 Nichia LED's that produce 800 lumens at only 9 watts, resulting in an impressive amount of light without the need to upgrade the charging system of the vehicle. A 50,000 hour LED bulb life means that these lamps show that these products are designed to last the life of the vehicle. Every aspect of product design, manufacturing, and assembling takes place in the USA. Included is a pair of direct-fit LED Dome Lights. No cutting or splicing is necessary.
