EXHAUSTS AND BODY PARTS FOR

PORSCHE® • **Dansk**® 

# *A STRONG FAMILY...*

*Exhausts and body parts for  
Porsche®*

# A STRONG FAMILY...

## ...On service

- 🦁 Quick and professional export delivery worldwide.
- 🦁 Our packaging expertise combined with our experienced and skilled personnel, guarantee quick and reliable service. You will not only receive your order quickly, but each product will arrive safely at your address, in a high quality JP packing.

## ...Highest quality spare parts - at a fraction of the cost!

- 🦁 The most competitive pricing policy in the automotive industry!
- 🦁 The net price lists for each individual car brand are provided in excel files.
- 🦁 Our highly skilled technical quality departments ensure a constant focus on a first class quality level.
- 🦁 Global sourcing from OEM manufacturers supplying worldwide to the passenger car industry!
- 🦁 Extensive engineering and R&D department developing and testing exhausts, flexible pipes, manifolds and catalytic converters.
- 🦁 We produce our own products in several countries for both the OES and aftermarket spare parts for passenger cars and light commercial vehicles.

# A STRONG FAMILY...

## Warehouse/logistics

16000 m<sup>2</sup> modern warehouse with the new technology in picking/handling spare parts for passenger cars.

# A STRONG FAMILY...

## *Production facilities*

Our production in Denmark is 10000 m<sup>2</sup> equipped with the most modern hightech 5D laser cutting robots as well as fully automatic welding robots. We produce in aluminized, stainless and titanium materials. Most of our exhaust boxes and metal stamping parts are produced with semi-automatic hydraulic presses to insure the original design.

*400 ton deep draw hydraulic pressing machine*

*Robot welding*

*TIG welding of Porsche® exhaust*

*Exhaust box and heat exchanger pressings*

# A STRONG FAMILY...

Porsche® 911 oiltanks

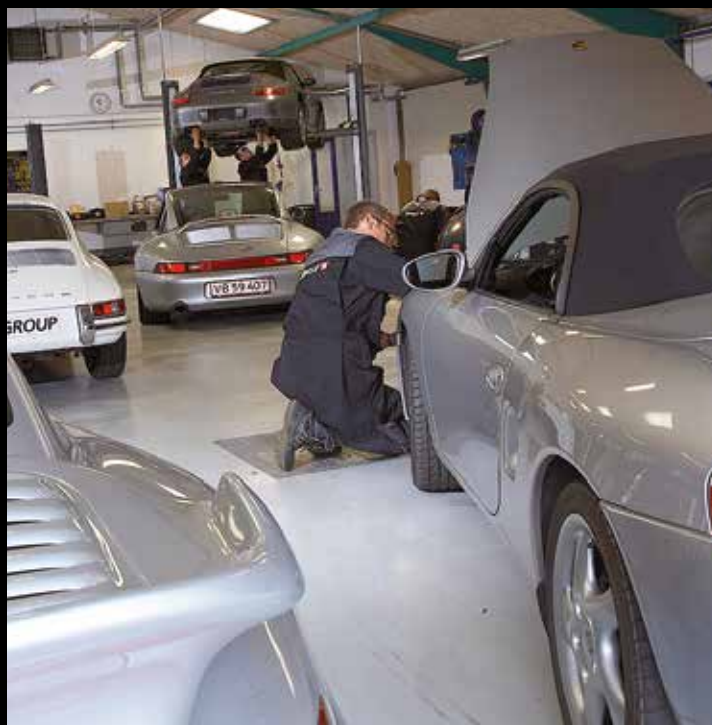

SSI - stainless steel construction ensures that the components are built to last

# A STRONG FAMILY...

## *Test facilities*

We have our own in-house development and testing center for both durability and performance testing.

# A STRONG FAMILY...

*Classic Line OEM quality rubber seals for windows, doors etc.*

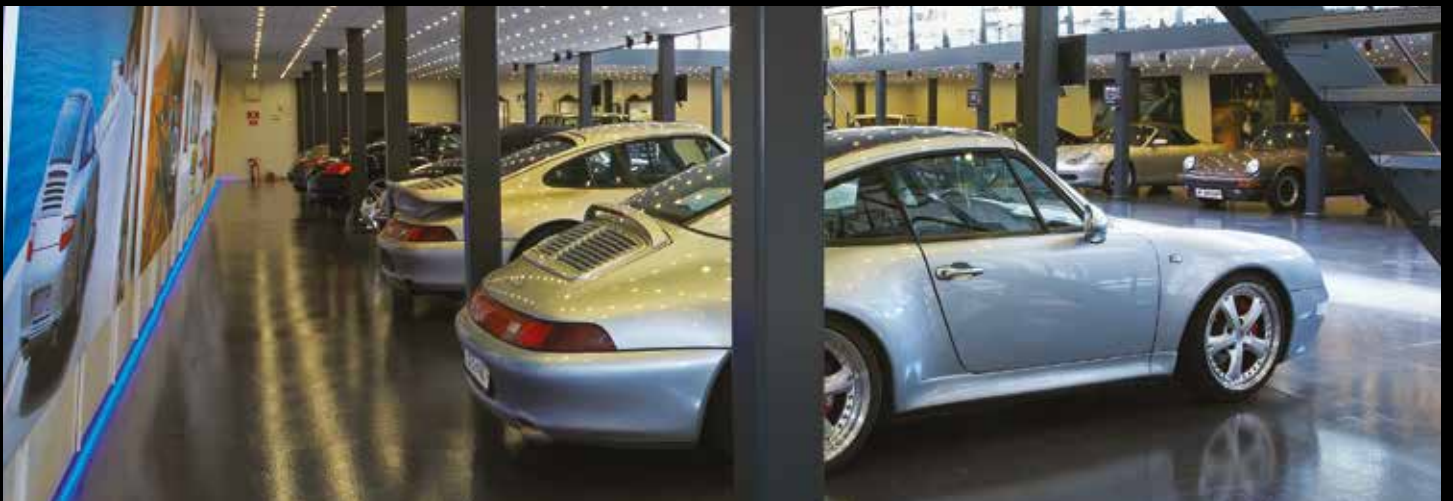

# A STRONG FAMILY...

## Showroom

Photos from our 1.200 m<sup>2</sup> state of the art showroom in our headquarter in Viborg, Denmark. We exhibit more than 75 different classic Volkswagen, Mercedes and Porsche® cars. We use them for development and testing purposes in our development and testing center.

## Explanation to the catalogue

This catalogue contains our original **Dansk** program of:

-  Original style exhausts 
-  Performance sports exhausts 
-  Body parts (metal stamping) 
-  State of the art heat exchangers and exhausts 

 High performance and original quality exhaust systems with EEC/TÜV approvals and at aftermarket prices!

 Our high quality range of sports sports exhausts produced at your choice of painted deep draw steel or polished stainless steel. Sports exhausts mean great sound and high performance, and a great look when adding one of our tail pipes.  
"SOUND" systems are produced as "valve exhausts", enabling you to drive with both original alike sound, and by using a switch, with a greater sporty sound.  
All produced in polished stainless steel 304 and with Pierburg quality vacuum valves.

 Our widest range of body parts in original quality for the 911 models.  
We have invested and still do, like nobody else in this industry, produce both "weld-on" repair panels as well as "direct OE fit" body parts such as fenders, hoods, quarter panels and gas tanks.  
Lately, we have started up building a wide range of body parts and gas tanks for the 356 models.

 State of the art heat exchanger and exhaust design and finish all made entirely of stainless steel AISI 304/321, meaning long life even in the severest conditions (road salt). Output is increased particularly in the low and the middle RPM ranges.

### *German/Danish engineering.*

We are original equipment supplier to Porsche®. Dansk is an OE brand name and we produce:

**Original standard.** All produces according to the highest standards!

For Porsche® 356, 912, 914, 924, 944, 911 (964, 993, 996, 997), Cayenne, Boxster, Cayman and Panamera models.

### *Equipment, accessories and standard replacement parts.*

We have a wide program of various replacement parts for Porsche®. These parts can be found in our complete Porsche® catalogue. Please do not hesitate to ask for it!

All our catalogues can be downloaded on our website: [www.jpgroupclassic.com](http://www.jpgroupclassic.com)

 NEW: New in the program

 U/D: Under development

### **Important notice.**

This catalogue and its illustrations are not to be reproduced, in whole or in part, without special permission from J.P. Group a/s. The right is reserved to modify or discontinue the components listed and illustrated in this catalogue.

## 911 /S/SC/CARRERA

2.7-3.2 L, 1974-1989

Impact bumper models, 2 inlet exhausts

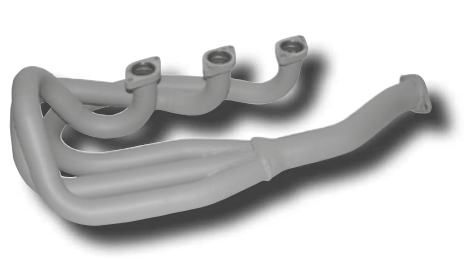

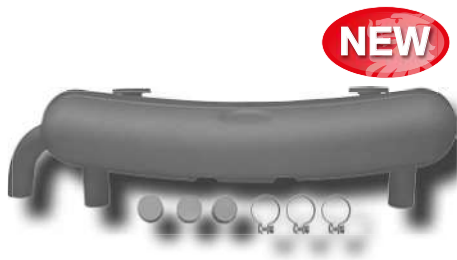

N.B.: 2 inlet exhaust systems for 2.7 L, can also be used for sport exhaust conversion for 3.0 L models

92.510DUALS (1620605700)  
Rear exhaust, 2 in - 2 out, Ø50 X 230 mm  
centre tail pipes  
Rear valance must be modified  
Polished stainless steel 304/4301

92.513DUAL (1620611900)  
Rear exhaust, 2 in - 2 out, Ø50 mm centre tail  
pipes.  
Exhaust, Sport, rear, dual outlet, racing sound  
Rear valance must be modified  
Painted aluminized steel

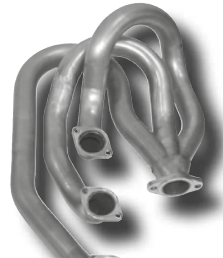

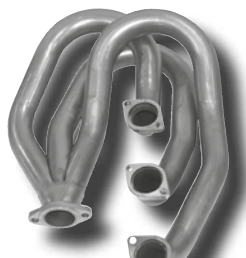

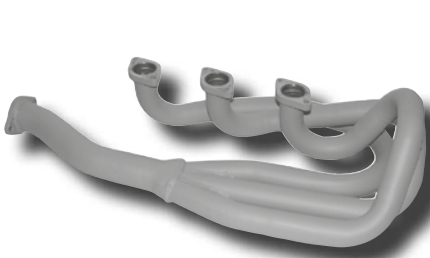

92.212 (1620607000)  
Rear exhaust, no street use. 92.213  
needed for fitting the exhaust on 91.019S and  
91.020S. Ø 70 mm tail pipes  
Rear valance must be modified  
Painted steel

92.212B (1620612100)  
RSR street/racing exhaust. OE outlet or 2  
racing outlets, Ø63.5 mm. Bolt on inlet with  
flanges. Heat resistant paint, up to 450°C.  
Rear valance must be modified  
Painted aluminized steel

92.213 (1620401110)  
Exhaust tubes to connect exhaust box 92.212  
to racing heat exchangers 91.019S/91.020S  
Painted steel

91.014 (1620800470) left  
Exhaust racing tube without heating function,  
Ø 38 mm outside. Replacing heat exchanger  
91.011  
Painted chrome steel 409/4512

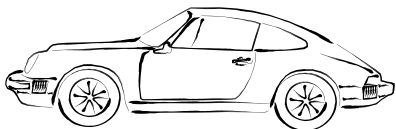

91.015 (1620800480) right  
Exhaust racing tube without heating function,  
Ø 38 mm outside. Replacing heat exchanger  
91.012  
Painted chrome steel 409/4512

91.019S (1623101970) left  
Exhaust racing heat exchanger without heating  
function, Ø45 mm outside. Fits 92.212 directly  
with use of exhaust tubes 92.213. 91.021S  
needed for use with standard exhausts  
Stainless steel 304/4301

91.020S (1623101980) right  
Exhaust racing heat exchanger without heating  
function, Ø45 mm outside. Fits 92.212 directly  
with use of exhaust tubes 92.213. 91.021S  
needed for use with standard exhausts  
Stainless steel 304/4301

## 911 (MODEL 997-I)

2005-2008

Not turbo

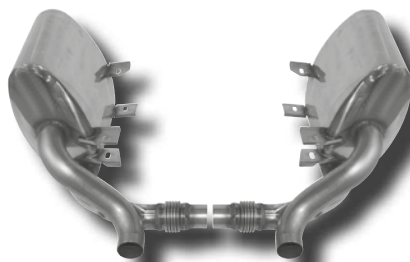

97.300S (1620602110)

Rear sport exhaust set

Polished stainless steel 304/4301

For 3.8 L models. If used for 3.6 L models, also use tail pipe 97.901S

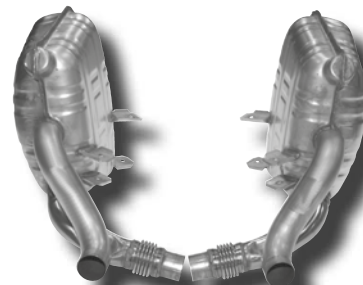

97.300SEXP (1620609810)

Rear sport exhaust set, "Sound Version"

Polished stainless steel 304/4301

For 3.8 L models. If used for 3.6 L models, also use tail pipe 97.901S

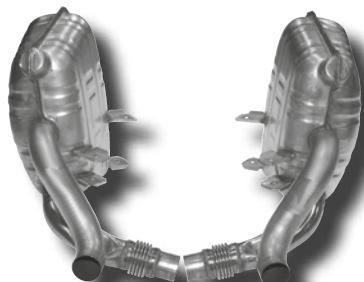

97.330S (1620601910)

Rear sport exhaust set, OE style

Polished stainless steel 304/4301

For 3.8 L models. If used for 3.6 L models, also use tail pipe 97.901S

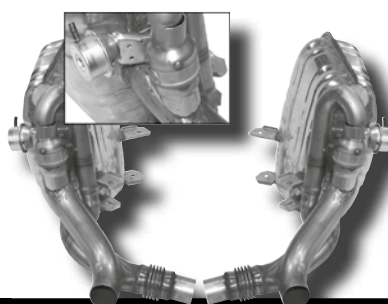

97.330SEXP (1620602310)

Rear sport exhaust set, OE style, "Sound Version"

Polished stainless steel 304/4301

For 3.8 L models. If used for 3.6 L models, also use tail pipe 97.901S

97.330SSOUND (1620610500)

Rear sport exhaust set, OE style, with adjustable sound valves.

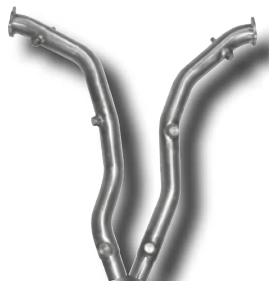

Polished stainless steel 304/4301

For 3.8 L models. If used for 3.6 L models, also use tail pipe 97.901S

EQ253101 (1625002710)

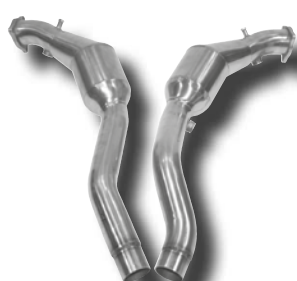

Switch set for sound valves

97.270S (1620301810)

Catalytic pipes without catalytic ceramic insert,  
Ø60 mm outside

Stainless steel 304/4301

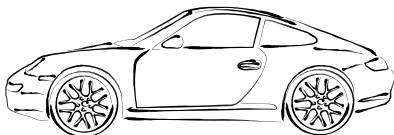

PO-97270S (1620301210)

Sport catalytic converter set, Tricat, 200 cells

Polished stainless steel 304/4301

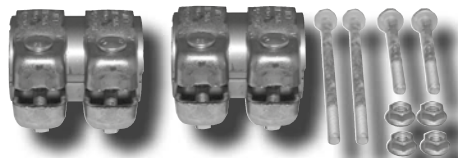

## Mounting Kits & Tail Pipes

### 911 (MODEL 997-I)

2005-2008

Not turbo

97.270KIT (1621701310)

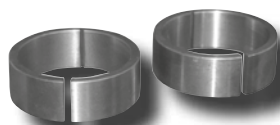

Mounting kit for catalytic pipes  
Fits 97.270S and P0-97270S

97.330KIT (1621700810)

Mounting kit for rear exhaust  
Fits 97.300S, 97.300SEXP, 97.330S,  
97.330SEXP and 97.330SSOUND

97.901S (1620701810)

Tail pipe kit, "S" look (clamp on type)  
Polished stainless steel 304/4301  
For 3.8 L models, For use on 3.6 L models, use  
adaptor rings. Is included in the kit.

97.905S (1620705210) left/right

Tail pipe kit, turbo look  
Polished stainless steel 304/4301  
For use on 3.6 L models, use adaptor rings.  
Not included in the kit.

97.915S (1620750110)

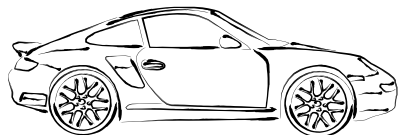

Adapter set for tail pipes 97.901S and  
97.905S  
Stainless steel

## Exhausts

### 911 TURBO (MODEL 997-I)

2007-2009

**NEW**

97.350S (1620801310)

Sport exhaust set including catalytic converters  
(200 cells) and tail pipes

Polished stainless steel 304/4301

EQ253101 (1625002710)

Switch set for sound valves

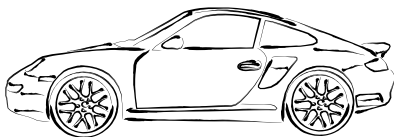

97.345S (1620602700)

Exhaust, Sport GT

Replaces the original GT2 exhaust, OE no.  
99711102680

Polished stainless steel 304/4301

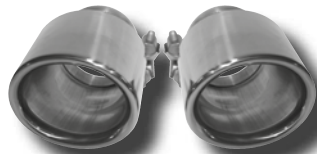

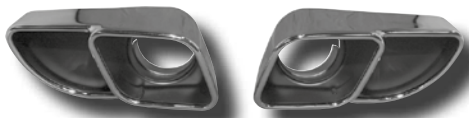

## Mounting Kits & Tail Pipes

911 TURBO (MODEL 997-I)

2007-2009

97.904S (1620703010)  
Tail pipe set, clamp on type  
Polished stainless steel 304/4301

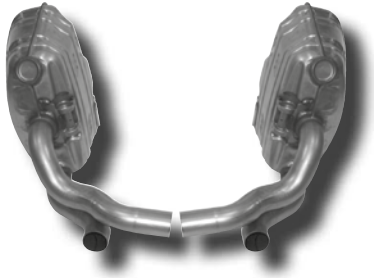

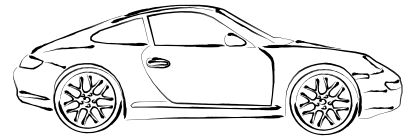

97.903S (1620702910) left/right  
Tail pipe kit  
For GT2 Bumper only  
Polished stainless steel 304/4301

## Exhausts

911 (MODEL 997-2)

2009-2011  
Not turbo

97.331S (1620602010)  
Rear sport exhaust set, OE style  
Polished stainless steel 304/4301

## BOXSTER (986)

2.5-3.2 L, 1997-2004

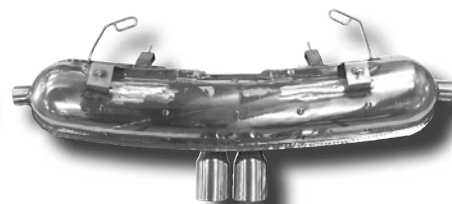

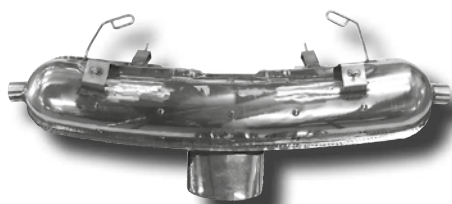

94.201S (1620603000)  
(OE 996.111.121.05)  
Sport exhaust with single tail pipe  
Polished stainless steel 304/4301  
2.5 L, 97-99  
With TÜV/EEC approval

94.210S (1620603800)  
(OE 996.111.121.10)  
Sport exhaust with double tail pipes  
Polished stainless steel 304/4301  
2.5 L, 97-99  
With TÜV/EEC approval

94.300S (1620606800)  
Sport exhaust, OE style, without tail pipes (use  
94.902S/94.903S/94.904S/94.905S/94.906S)  
Polished stainless steel 304/4301  
2.5 L, 97-99 (installation kit 000.044.200.11  
needed) 2.7-3.2 L, 99-04  
With TÜV/EEC approval

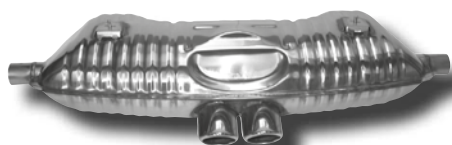

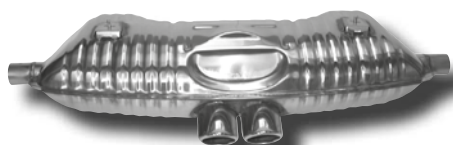

94.300SEXP (1620800600)  
Sport exhaust, OE style "Sound Version", without  
tail pipes (use 94.90S/94.903S/94.904S/  
94.905S/94.906S)  
Polished stainless steel 304/4301  
2.5 L, 97-99 (installation kit 000.044.200.11  
needed) 2.7-3.2 L, 99-04

94.301S (1620602900)  
Sport exhaust with single oval tail pipe  
Polished stainless steel 304/4301  
2.5 L, 97-99 (installation kit 000.044.200.11  
needed)  
2.7-3.2 L, 99-04  
With TÜV/EEC approval

94.310S (1620602800)  
Sport exhaust with double tail pipes  
Polished stainless steel 304/4301  
2.5 L, 97-99 (installation kit 000.044.200.11  
needed)  
2.7-3.2 L, 99-04  
With TÜV/EEC approval

94.330S (1620605200)  
Sport exhaust, OE style, double loose tail pipes  
(bolt on type)  
Polished stainless steel 304/4301  
2.5 L, 97-99 (installation kit 000.044.200.11  
needed) 2.7-3.2 L, 99-04  
With TÜV/EEC approval

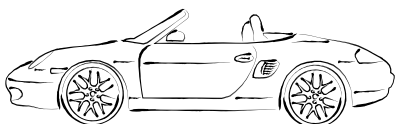

94.330SEXP (1620800700)  
Sport exhaust, OE style, double loose tail pipes  
(bolt on type), "Sound Version"  
Polished stainless steel 304/4301  
2.5 L, 97-99 (installation kit 000.044.200.11  
needed)  
2.7-3.2 L, 99-04

94.331S (1620605100)  
Sport exhaust, OE style, double loose tail pipes  
(bolt on type), "Super Sound"  
Polished stainless steel 304/4301  
2.5 L, 97-99 (installation kit 000.044.200.11  
needed) 2.7-3.2 L, 99-04  
With TÜV/EEC approval

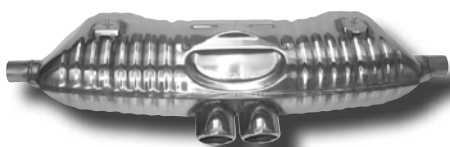

## Exhausts

### BOXSTER (986)

2.5-3.2 L, 1997-2004

94.335S (1620600100)

Exhaust, OE style, double "S" tail pipe, "Standard Sound" Polished stainless steel 304/4301

2.5 L, 97-99 (installation kit 000.044.200.11 needed)

2.7-3.2 L, 99-04

With TÜV/EEC approval

94.335SSSOUND (1620610400)

Sport exhaust, OE style, double loose "S" tail pipe (bolt on type), with adjustable sound valves

Polished stainless steel 304/4301

2.5 L, 97-99 (installation kit 000.044.200.11 needed) 2.7-3.2 L, 99-04

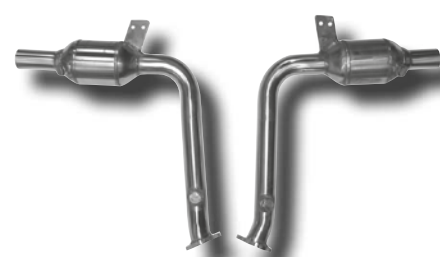

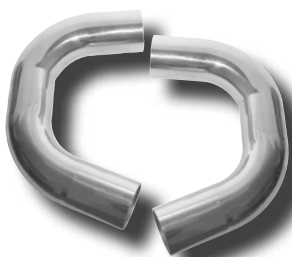

With TÜV/EEC approval

With TÜV/EEC approval

EQ253101 (1625002710)

Switch set for sound valves

94.290S (1620400510)

(OE 996.111.313.01)

Connecting tube set from exhaust to catalytic converter, Ø44 mm outside

Polished stainless steel 304/4301

2.5-3.2 L, 97-04

PO-94260S (1620300810)

(OE 996.113.921.01/922.01)

Sport catalytic converter set, 100 cells

Polished stainless steel 304/4301

2.5 L, 97-99

PO-94360S (1620300910)

Sport catalytic converter set, 100 cells

Polished stainless steel 304/4301

2.7-3.2 L, 99-04

94.260S (1620301910)

Pipe set, replacing the catalytic converters

Polished stainless steel 304/4301

2.5 L, 97-99

94.360S (1620301610)

Pipe set, replacing the catalytic converters

Polished stainless steel 304/4301

2.7-3.2 L, 99-04

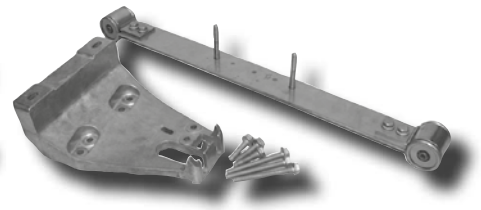

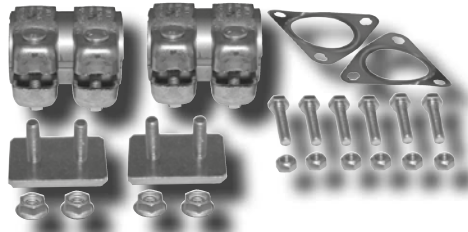

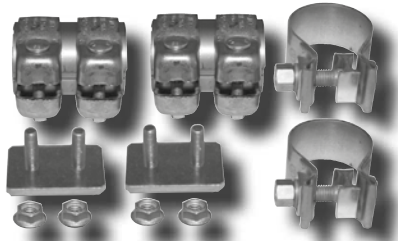

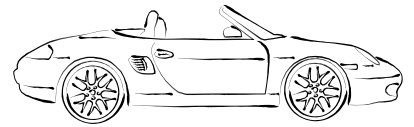

# Mounting Kits & Tail Pipes

## BOXSTER (986)

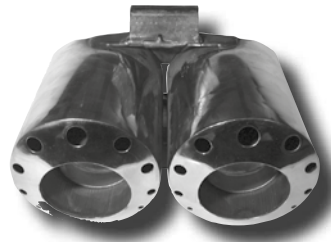

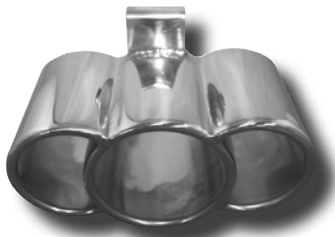

2.5-3.2 L, 1997-2004

94.210KIT (1621700610)  
Mounting kit for rear exhaust  
2.5-3.2 L, 97-04

94.260KIT (1621700910)  
Mounting kit for catalytic converter  
2.5 L, 97-99

000.044.200.11 (1621700110)  
Mounting kit for 2.7-3.2 L exhaust  
2.5 L, 97-99

94.902S (1620704500)  
Tail pipe, triple look (bolt on type), Ø84/70 mm  
For exhaust no. 94.300S  
Polished stainless steel 304/4301  
2.5-3.2 L, 97-04

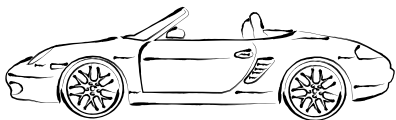

94.903S (1620704400)  
Tail pipe, "Super Sound" (bolt on type), Ø84 mm  
For exhaust no. 94.300S  
Polished stainless steel 304/4301  
2.5-3.2 L, 97-04

94.904S (1620703900)  
Tail pipe, double look (bolt on type), Ø80 mm  
For exhaust no. 94.300S  
Polished stainless steel 304/4301  
2.5-3.2 L, 97-04

94.905S (1620704000)  
Tail pipe, OE look (bolt on type), Ø95 mm  
For exhaust no. 94.300S  
Polished stainless steel 304/4301  
2.5-3.2 L, 97-04
