ONEPIECESERIES

DUB Wheels is proud to introduce four new one piece designs for 2012: The Bandito, Deux-Wang, Billionaire, and Suave. Our greatest achievement is the release of the world's very first 32" cast wheel. DUB one piece wheels come in an amazing range of sizes from 16" to 32" for most street rides. Another new breakthrough is the release of our floating DUB cap. This feature is sure to turn every head as you roll through the streets.

32" DUB TIRE

In addition to our 32" one piece, 3 piece, and spinner wheels, DUB now offers 32" rubber to wrap around your DUB rims. CHIPS DOWN! This package is it, the #1 in urban vehicle fashion.

DUBSKIRTSERIES

DUB Skirts are the very latest in floating technology. Inspired from the old skool scene, these designs are reverse hanging side skirts. Instead of tucking under the fender and showing only the bottom half of your wheel design, show off the top half and hide the bottom of the spoke design under the Skirt. Custom finishes for the Skirt are available to match your ride.
