1. Exclusion of liability

All information in this catalog has been carefully prepared by us. We accept no liability for the accuracy and completeness of data contained in this catalog. Any claim of damages against us arising from the use of the data contained in the catalog, or the use of any erroneous or incomplete data, is excluded. Subject to technical developments and changes. Before installing any replacement parts named in this catalog, it must be checked whether the parts are suitable for the intended purpose. Our technical service department is available for this at any time. In case of doubt, seek clarification. We expressly give notice that all replacement parts must be installed by trained, qualified personnel.

2. Notification of copyright and trademark law

The copyright for texts, graphics, and image documents created by us remains ours. Any imitation, reproduction, or use of such objects in other printed or electronic publications requires our written permission and citation of the source.

3. Terms and conditions

We give express notice that delivery is made exclusively under our general terms and conditions. The current edition of our general sales and delivery conditions is available on our Internet site, at: www.elring.de/agb_en We will be happy to send them to you upon request.

4. Miscellaneous

Names, descriptions, and numbers of vehicles and manufacturers and the like are intended solely for internal comparison purposes. The same applies to original spare part numbers from the vehicle and engine manufacturers. They are not an indication of origin and must not be used with vehicle owners.

Previous editions become obsolete with the publication of this catalog.
