597JH

Rainwear

Specification Sheet

PRODUCT DESCRIPTION:

The Navigator Series offers a variety of durable options for your work day. The 597JH is a black jacket with attached drawstring hood. The polyester/polyurethane material has a light polyester liner that makes it comfortable and easy to put on and remove. This material is breathable and waterproof, making this premium offering cooler and more comfortable than comperable non-breathable options. Features include a zipper front with hook & loop storm flap, attached drawstring hood and covered zipper pockets. Other features include hybrid elastic/hook & loop wrist closures and drawstring waist.

FEATURES:

- Breathable and waterproof polyester/polyurethane, black color
- Generously sized
- Zipper front with hook and loop storm flap
- Covered Zippered Pockets
- Dark color hides dirt, grit, and grime

APPLICATIONS:

Agriculture, Automotive , Carpentry, Construction, Landscaping, Sanitation, Transportation
