

VAN PANELS

WALL TO WALL PROTECTION

PendaForm [Van Panels](#) are designed to give a finished look and maximum protection for commercial van interiors. Built to OE Manufacturer's specifications for an exact fit. Panels attach to side walls and doors with self-drilling screws using existing sheet metal mounting locations (when available).

SPRINTER (Driver side high)

RAM PROMASTER

NISSAN NV (Passenger side high)

Features:

- > Protection from the B-pillar to the rear of the cargo area including wall and wiring harnesses
- > Dent, scratch and gouge resistance protects the sheet metal from shifting loads
- > Water and chemical resistance protects from spills
- > Light weight, easy cleaning of surface
- > Smooth transition between headliners
- > Easy installation kit includes all the necessary attachment hardware

MADE IN
USA

PENDAFORM
