RETAIL PACKAGING AND PLAN-O-GRAM PROGRAM

PORTABLE WIFI BACK-UP CAMERA WITH MULTI-USE ATTACHMENT

Back up camera for use with iOS and Android devices. Creates its own WIFI hotspot and includes a patent pending magnetic adjustable mount. Portable capabilities allow Camera to be positioned almost anywhere and carried from vehicle to vehicle when needed to help with trailer hook up or parking and can assist with Rock crawling (wheel well location) or other outdoor vehicle activities simply by locating on any metal mount points. Small overall size allows easy storage in vehicle.

- Use with existing smart phones, tablets or pads with simple app based setup.
- Uses Hi-tension (Real Earth Element) magnetic feet for firm tailgate or body panel attachment that sticks and stays
- Special case is "push to open or close" for protection of cameras lens
- Will operate up to 8 hours on charge using internal lithium battery
- Standard video function or take screen shots via the installed app
- Includes stand to support phone on vehicle dashboard

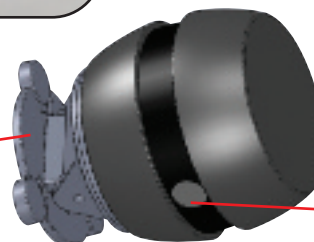

Adjustable, Magnetic Base

THE BETTER CHOICE FOR THE BEST VALUE IN TOPS & ACCESSORIES

Precision Engineered Fit

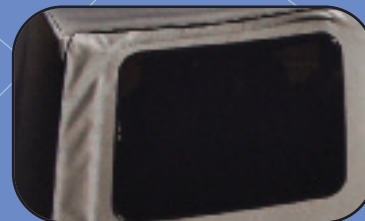

EXCLUSIVE RAMPAGE FEATURES ON ALL SOFT TOPS

Zipper storage pockets included

Heavy duty, scooped window zipper for replacement window option

Tinted windows at no extra charge

Quality Soft Top Selections for Every Need with Multiple Materials, Colors and Special Features

Replacement Soft Top - Factory soft top materials and features compatible with original equipment hardware and installation....Plus Exclusive, Rampage only, features

Frameless Trailtop (The Original) - Alternative for replacement or complete top with numerous features and upgrades from traditional soft tops.....Plus Exclusive, Rampage only, features

Complete Soft Top - Includes everything necessary for an entire soft top installation such as soft top, all framework, door surrounds and hardware....Plus Exclusive, Rampage only, features. A great option for conversion from factory hardtop models.

TRAILTOP FRAMELESS SOFT TOP - TWO TOPS IN ONE

THE ORIGINAL RAMPAGE, FRAMELESS TOP KEEPS GETTING BETTER WITH EXPANDED FEATURES AND APPLICATIONS FOR ALL WRANGLERS, FULL AND HALF DOOR MODELS, FROM 1992 THRU 2014

The Rampage Frameless Trail Top installs over the original equipment factory roll bar for a snug fit without the need for additional bows or support hardware. This unique design allows for larger side windows and improved visibility with removable side and rear windows that quickly convert the soft top into an open Safari top. Windows use heavy duty molded tooth zippers and are easily replaced or removed and stored in a special separation panel between the ceiling and roof top which is concealed and protects the windows from scratches or puncture. The fastback style offers improved aerodynamics and a quieter ride than factory bow style tops.

- Factory grade materials & colors – also available in Heavy Duty Sailcloth Fabric
- Patent Pending Dual Panel Window storage between ceiling and Jeep Top
- Patent Pending front anti-puddle support poles for improved water runoff
- DOT Compliant dark privacy tint for back and rear windows
- Weatherproof – Attaches to factory belt rail system and features Heat Sealed Seams & Windows with Marine grade molded tooth zippers
- Replaceable Components including side & rear windows with heavy duty molded tooth zippers – optional front window frames and Door Skins
- Exclusive Rampage interior storage pockets conveniently located over driver and passenger compartments

NOTE: Requires Windshield channel, factory soft top door surrounds and tail gate bar. If the soft top is replacing a hard top application, these parts are required and can be purchased separately

Streamline/Xtremeline Bracket Adapter Kit - Top Clamp & Bolts for Universal Bracket Conversion 14999.

XTREMLINE / STREAMLINE BARS

- The new and unique design has the styling appeal of a side bar coupled with easy installation features and strength of a running board.
- With a 5-inch step these bars have over 50% more step area than regular tube steps.
- Stylish custom molded end caps add streamline styling, can be painted for a custom finish and seals the step from moisture. Results in an OEM finished look.
- No Drilling most applications - Heavy-duty mounting brackets mount to existing factory holes.
- A new innovation in mounting brackets make installing these bars quick & easy and the bar can be positioned forward or back to compliment individual style or bar location needs.
- **RAMPAGE EXCLUSIVE:** Galvanized Steel - Powder Coat, Weather Seal Brackets

Brackets ordered separately

NOTE: Xtremeline and Streamline Bars may also be installed with other aftermarket flat top installation brackets by using the Rampage Top Clamp Conversion Kit

MIRRORS & SPECIALTY ACCESSORIES

Dims.
24x7" Extended

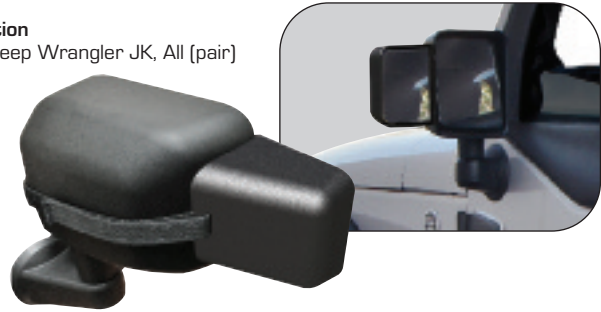

CUSTOM TOWING MIRROR EXTENSION

- The Rampage Mirror Extension offers expanded visibility for highway towing, reverse views or off-road sight lines such as rock crawling
- Custom formed housing includes internally adjustable mirror plates to enhance various angle options
- Snug exterior attachment to factory mirror housing with vinyl coated metal clip and durable nylon strap secured by hook and loop liner.

Application
07-14 Jeep Wrangler JK, All (pair)

Part #
8605

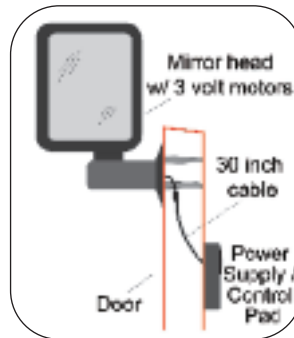

SELF CONTAINED ELECTRIC POWER MIRROR - PATENT PENDING - INCLUDES: COMPLETE MIRROR, POWER PACK AND CONTROL PAD

Replace Jeep JK Manual Factory Mirrors with convenient, easy to install, self-powered electric mirror assemblies. Individual reproduction housings duplicate the original equipment manual mirror in appearance and installation mount points.... But, have been upgraded to include internal, low voltage, mirror drive motors which are powered by AA batteries that will provide years of service under normal vehicle usage and the added benefits of mirror adjustability from inside the vehicle.

- Easy installation using factory mounts & requires minor drilling to create wire route for connection to interior door panel mirror adjustment control
- Plug & Play wiring with a single connection from outside mirror to interior control pad - attachment with screws or optional VHB tape without alteration of door panel
- Independent Power Supply reduces normal wire harness routings from door to vehicle power supply and eliminates the difficulties associated with under dash wiring and connections
- Individual door assembly compliments Jeep door removal without additional wire plugs or connections
- Two Year life expectancy with standard AA batteries (not included)

Application
Includes Complete Mirror, Power Supply and Control Pad
07-14 Jeep Wrangler JK 2 Dr & Unlimited Driver Side (L) 8600

RAMPAGE LED TAILGATE LIGHT BAR

Superbrite LED light bar from Rampage has been designed and manufactured to expand overall life expectancy with the introduction of a waterproof, fully sealed electrical system. This innovative Light Bar is brighter and lasts longer due to the development of a waterproof, fully sealed electrical system. The completely encapsulated circuit board with robotically assembled high intensity LED bulbs is encased in a rigid, injection molded cap while suspended in a UV stabilized clear urethane, creating a seamless, completely waterproof Tailgate Bar -

The Rampage Truck, Mini Truck and SUV Tailgate light bar is designed to fill the recessed space between the tailgate and bumper, and is easily installed (without drilling) using durable 3M automotive grade adhesive foam tape.

- One Year Warranty
- Heavy gauge wiring with plug-in flat four hitch connector to quickly plug into existing trailer hitch - includes fuse protection
- Long life superbrite LED bulbs for Brighter, faster lighting response
- Waterproof
- High quality SMT technology circuit board
- Attaches to vehicle with 3M® adhesive foam tape
- Universal fit and mounting

Application Part #
Five Function SUPERBRITE with Running lights, Brake lights, Emergency hazard and L & R turn signals.

Tailgate lightbar 60-inch LED 960134
 Tailgate lightbar 49-inch LED 960135

5089927

DIAMOND BRITE TAILLIGHT KIT

- Taillight conversion kit includes Euro style lenses, seal and internal reflector plate
- 40% brighter than factory illumination.
- Installs in minutes without cutting or splicing factory wiring
- Sold in pairs

Application

76-06 Jeep CJ, Wrangler & Unlimited

Part#

5307

MULTI PURPOSE LED LIGHT – MULTIPLE FUNCTIONS, MULTIPLE ATTACHMENTS

- Two lighting options – flood light and longer distance beam pattern
- Swivel hook adjusts to any angle
- Super strong magnet attaches to most metal surfaces
- Sure grip rubber finish
- Uses three AAA batteries (not included)

Part #
769701

TRAIL LIGHT SUPERBRITE LED - UNIVERSAL LIGHT KIT

- Long Life LED bulb technology - Superbrite light assembly - 8' x 1 1/2 inch
- Quick Release light fixture for easy removal and mobility - Once separated from straps, back plate magnet allows for light fixture attachment to any metal surface.
- Easy installation with wraparound hook and loop fastening system
- Fits anywhere -straps attachment for square or round bars up to 4 inch dimension
- Uses three AAA batteries (not included)

Part #
769801

Perfect for roll bar mount

CHROME SPORT TAILLIGHTS

- Complete replacement taillights with housing
- Chrome finished one piece lens
- No-drilling required, includes mounting hardware
- Sold in pairs

Application

76-06 Jeep CJ, Wrangler & Unlimited

Part#

5308

BEAD LOCK TAILLIGHT BEZELS

- Mounts to Factory taillights
- Installs in minutes, no drilling require
- Matches bead lock look on Off-Road Style Wheels
- Available in Brite or Brushed Aluminum Finish
- Fits all CJ & Wrangler tail lamps
- Sold in pairs

Application

71-06 Jeep CJ, Wrangler & Unlimited
Brushed Aluminum

Part#

508470

LED THIRD BRAKE LIGHT KIT (CHMSL)

Universal application Tire Mount Third brake light assembly with adjustable frame and bright LED light fixture

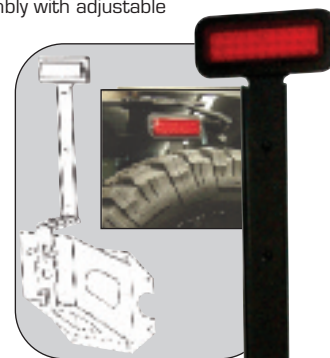

- Durable Steel frame with adjustments for Wheel depth and Tire height
- Multiple bulb LED light in sealed polyurethane housing
- Wiring harness with universal 4-prong trailer plug

Application

Third Brake Light Kit - Adjustable, Universal fit

Part#

86615

LED CLIP ON LIGHT

- Exclusive magnet in clip base allows light to be used anywhere light is needed, even under the hood!

Application

High Intensity LED
Clip On Light with Magnet

Part#

501001

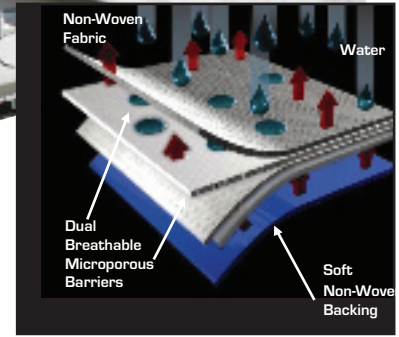

CUSTOM & EASYFIT CAR COVERS

BREATHABLE 4 LAYER COVERS

When it comes to protection, Rampage has you covered. These breathable covers repel water, but won't trap moisture as they protect your vehicle finish from sun, dirt, droppings, and other airborne pollutants that harm the paint - they are great indoors or out. Unique 4-layer non-woven polypropylene construction blocks harmful paint contaminants with a rugged Spun Bond outer layer attached to two melt blown middle layers of added protection and joined with a softer inner layer to produce a water resistant fabric that protects vehicle finish from the elements while maintaining breath-ability to avoid temperature and moisture build-up under the cover.

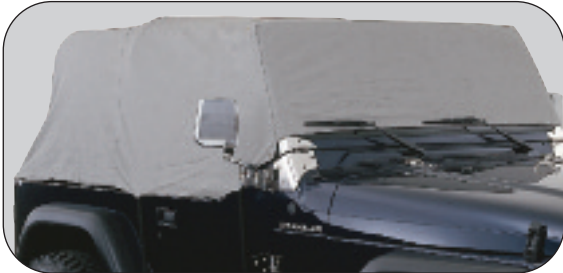

- Soft and durable backing pampers paint finish and protects from sun, dirt, dust, moisture and pollution
- Unique diamond bond pattern allows air and humidity to escape preventing paint deterioration from trapped air and moisture. The non-woven fibers are naturally water resistant and will shed water under normal conditions - in extended rainstorms even the best fabrics will absorb varying amounts of moisture, but the Rampage 4-layer cover dries easily as it allows air to circulate thru the fibers.
- Ultraviolet protection against sun and heat buildup
- Polypropylene center layers are naturally water repellent
- Features double stitched elastic hem in front & rear to secure under bumper
- Side grommets for tie downs or security cable lock
- **EXCLUSIVE FEATURE**
- Includes FREE Lock and Cable
- **EXCLUSIVE FEATURE**
- includes FREE Storage Bag

4 LAYER CAB COVERS - FITS OVER INSTALLED SOFT OR HARD TOP

- Small, compact and lightweight, the Cab Cover easily slips over the windshield frame and Jeep top for a snug, custom fit
- Strap & Elastic attachments in front (around mirrors) and rear of vehicle for snug fit

JEEP HOOD BRA

Paint protection and good looks with a single piece custom fit hood bra. A durable vinyl outer layer repels minor road debris and is bonded with a soft inner layer to pamper paint finish. Easy installation - front corner pockets hug the leading hood edge and the bra is held firmly in place with an adjustable hood strap that attaches to the factory footman loop, leaving the hood fully functional.

Application	Part #
97-06 Jeep TJ Wrangler, Black Denim	1101
07-14 Jeep JK Wrangler, 2Dr & 4Dr, Black Denim	1102

CUSTOM & EASYFIT CAR COVERS
