

# REFLECT™

The RIGID Reflect is the first LED light that not only illuminates the road ahead, but also allows you to see what's behind. The RIGID Reflect is an advanced LED lighting solution with a fully adjustable side mirror all in one. Though originally developed for UTV and Powersports applications, the Reflect is a great solution for just about any off-road application. The Reflect uses RIGID's patented LED technology and new Side-Shooter optics to provide a wide beam of light for cornering and drifting. For even more versatility, there are also built-in amber LEDs on the outside edge of the fixture that can be used as turn signals, flashers, or even auxiliary running lights. The lights and mirror can be aimed independently, and tube mounting clamps are included to make installation easy. The RIGID Reflect is one more compact, versatile lighting solution that enables off-road enthusiasts to Own the Night™.

## FEATURES

- 50,000+ Hour Lifespan
- 9-32 V DC
- GORE® Pressure Equalizing Vent
- High-Grade Aluminum Alloy Heatsink
- Integrated Thermal Management System
- Impact Resistant Polycarbonate Lens
- IP68 & IP69 Compliant - Dust / Water Ingress
- Over / Under Voltage Protection
- Operating Temp -40° F ~ +145° F / -40° C ~ +60° C
- Protected Against RFI / EMI
- Patented Technology
- Reverse Polarity Protection
- RoHS Compliant
- SAE J575 Compliant - Shock / Vibration
- Light and Mirror Can Be Independently Adjusted
- Side Shooter Optic & Lenticular Lens for Enhanced Beam Width
- Integrated Amber LEDs for use as Running Lights or Turn Signal
- Fully Adjustable 1.75" - 2.00" Tube Mount Included
- Break Away Joint for Damage Prevention
- Convex Mirror for Enhanced Field of Vision
- 3-Wire Open Lead for Convenient Wiring
- Removable Trim Bezel - Can be Painted to Match the Color of Your Vehicle
- Angle Adjustment Ring for Mounting to Different Roll Cage Angles
- Bar Clamp Assembly Can be Removed to Mount Mirror to a Flat Surface
