

Rothco 8" Cold Weather Hiking Boots

Rothco 8" Cold Weather Hiking Boots are perfect for cold, snowy and wet conditions, these winter boots keep feet warm and dry. Rothco's patented Thermoblock technology provides insulation (200 gm) for warmth and the suede leather uppers offer comfortable protection from the elements. These cold weather boots also feature EVA midsole, taped seams for waterproofing, and rubber outsoles that provide pliable traction in cold, wet and snowy conditions. **WARNING:** This product contains a chemical known to the State of California to cause cancer, birth defects and other reproductive harm.
