Why Steinjäger?

Made in the USA: Vertical Integration

Over 98% of Steinjäger's accessories for Jeeps are ALL made in the same factory in Bushnell, Illinois, USA, including our Grab Handles, Lift Kits, Tube Doors, Rock Sliders, Teddy® Tops and more. Our suspension bushings are even molded in the same building where we make our Teddy® Tops. Look for the 'Made in the USA' image to denote our American made products.

Customer Service & Focus

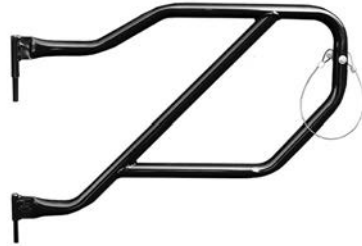

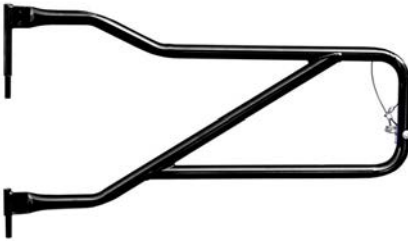

Whether you buy the product from us, from one of our retail/installer dealers, or from one of our online dealers, if you have any questions or service issues, we want you to contact us DIRECT. We enjoy servicing our customers and will do everything we can to help you enjoy your Steinjäger products. We take a sincere interest in our customers: what you've purchased, the type of Jeeps you own, how you accessorize your Jeep, what events you go to, your accent colors... these are all important to us and we will do our best to personalize your experience with us.

Great Value

We focus a lot on creating value for you. Before we start work on a project, we make sure that our finished design is going to give a better value than offshore and domestic alternatives. This 'Great Value' principle of Steinjäger stems from our belief that American companies that understand their manufacturing niche, can manufacture high quality, great value, and globally competitive products *in the USA*. We want you to know that when you buy a Steinjäger accessory for your Jeep, you are buying the best an American manufacturer has to offer.

Steinjäger's Tube Doors come ready to install. First time assembly and installation takes less than 10 minutes. Check out our installation video on [YouTube](#) by searching for 'Steinjäger'. Installation may require a minor adjustment to the striker latch. Kits include all attaching hardware. Doors are made in the USA from 1.25" OD tubing.

Door Holders & Hangers

works for JL, JLU, JK and JKU

JL/JK

Four Door Holder Stand (fits JLU & JKU)

Holds Four Doors

This unique product can be used to store factory doors or tubular doors in the field, in the showroom, or in your hotel room. Knocks down quickly for travel, but rugged enough for dealer showrooms. Powder Coated. Made in the USA.

Wall Mounted Door Hanger (JL & JK)

Holds Two Doors Mounts to wall studs and holds factory and tubular doors.

D-Ring Base Isolator

-  **J0045982** Black
-  **J0047692** Red

Molded in the USA, these isolators simply slide over the D-Ring, eliminating the metal on metal clanking noise. Easily removed when the D-Ring is needed for winching or pulling.

Steinjäger color matched powder coat paint powders are available online in 1 pound increments.

D-Ring Side Isolator

J0045984

2 pieces/kit

Molded in the USA, these isolators simply slide over the bolt of most standard 3/4" D-Rings. These will fit within mounts up to 3/4" wide.

Metal Hood Latch Kits

J0041024

Steinjäger Hood Latch Kits eliminate Jeep hood flutter. Installation requires drilling with a 3/32 drill bit along with basic hand tools. Online video tutorial. Installation takes one hour.

Limb Riser

Non-Metallic Jacket
Protects from Scratching

J0040942

Our Limb Risers are made in the USA of stainless wire rope with a non-metallic jacket, stainless quick disconnect ball joints, and powder coated steel mounting brackets. Some drilling required for installation. Installation video links on our website.

A-Pillar Adaptor Kit

J0047534

Brackets and Cables to attach to our LED A-Pillar Brackets.

Poly Hood Latch Kits

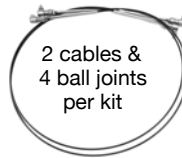

Black **J0041036**

Red **J0043480**

Steinjäger's molded polyurethane hood latch kits are easy to install. Installation requires masking tape, locking pliers and phillips screw drivers - takes only 15 minutes. Online video available. Made in the USA.

Do it Yourself Limb Riser Cables

2 cables &
4 ball joints
per kit

We've had so many requests for our special non-metallic coated stainless wire cable and quick disconnect stainless ball joints for applications other than the Jeep Wranglers, that we now offer the cable and ball joint as a kit.

Lengths are ball joint stud to ball joint stud...

Our Harness Bar is designed to not only stiffen up the B-Pillars, but also to give you a solid place to attach your shoulder harness straps. Installation is simple, but requires a few hand tools and a drill. Made in the USA.

Fits JKU

When you need to remove your license plate in order to use your winch, simply remove the thumbscrews and place in a safe location. Loosen, not remove, the fairlead and slip the bracket behind. There is no need to remove your hook or safety thimble. Made in the USA.

Fits TJ, LJ, JK and JKU

Sway Bars & End Links

Rear Sway Bars & End Links

Rear Sway Bar Kit

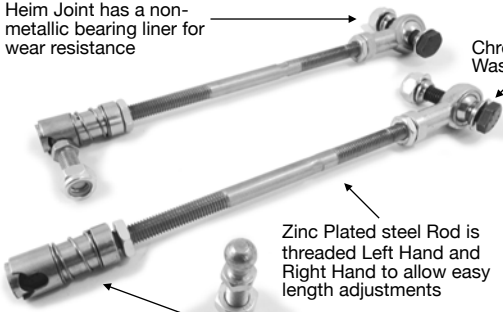

J0030153

The Steinjäger Rear Sway Bar is constructed from heavy duty 1.050" inch OD x 0.109" Wall A513-Type 1 Tubing to help stiffen up the suspension of your Jeep. The Sway Bar is **powder coated** and includes the polyurethane mounting bushings. Our oversized rear sway bar design helps eliminate unwanted body roll. Disconnect the end links attached to this sway bar before serious rock crawling or off-roading. Otherwise, because of the large diameter, articulation will be reduced and hinder your off-road experience. Made in the USA.

Rear Quick Disconnect End Links

Heim Joint has a non-metallic bearing liner for wear resistance

- for stock height TJ's **J0031038**
- for 2" lifted TJ's **J0031039**

Teddy® Cargo Nets

Our Teddy® Cargo Net covers the back half and sides of your YJ. You must have the Family Style Roll Cage in your YJ in order for this to fit properly. Easy installation with double back straps. This will fit with your factory top, so there is no need to remove it once it's installed. Made in the USA.

2 inch wide webbing

Double back straps allow adjustability and easy installation
