Why Steinjäger?

Made in the USA: Vertical Integration

Over 98% of Steinjäger's accessories for Jeeps are ALL made in the same factory in Bushnell, Illinois, USA, including our Grab Handles, Lift Kits, Tube Doors, Rock Sliders, Teddy® Tops, Bumpers and more. Our suspension bushings are even molded in the same building where we make our Teddy® Tops. Look for the 'Made in the USA' image to denote our American made products.

Customer Service & Focus

Whether you buy the product from us, from one of our retail/installer dealers, or from one of our online dealers, if you have any questions or service issues, we want you to contact us DIRECT. We enjoy servicing our customers and will do everything we can to help you enjoy your Steinjäger products. We take a sincere interest in our customers: what you've purchased, the type of Jeeps you own, how you accessorize your Jeep, what events you go to, your accent colors... these are all important to us and we will do our best to personalize your experience with us.

Great Value

We focus a lot on creating value for you. Before we start work on a project, we make sure that our finished design is going to give a better value than offshore and domestic alternatives. This 'Great Value' principle of Steinjäger stems from our belief that American companies that understand their manufacturing niche, can manufacture high quality, great value, and globally competitive products *in the USA*. We want you to know that when you buy a Steinjäger accessory for your Jeep, you are buying the best an American manufacturer has to offer.

Flag Doors
