

# Tamiya America, Inc. Warranty

**Tamiya America, Inc. Radio Control (R/C) vehicle warranty:**

Tamiya America, Inc. warrants your radio control (R/C) vehicle to be free from defects in materials and workmanship for a period of 90 days from the date of purchase. Tamiya America, Inc. will warrant, at its option, the repair and/or replacement of any part(s) of the vehicle (except those parts excluded from warranty) which it finds to be defective in factory materials or workmanship under normal use and operation provided that:

The part(s) has not become defective as a result or consequence of the owner's failure to properly maintain, use, or operate, the R/C vehicle according to the manufactures recommendations, instructions (including supplemental instructions), capacity and operating limitations specified for the R/C vehicle.

Unless Tamiya America, Inc. expressly agrees (in writing), the R/C vehicle warranty will not apply to any defect in, or which is attributed to, or to the use of, any modification made to the R/C vehicle, unless such modification has been made by or at the direction of Tamiya America Inc. in writing.

**Terms:** No other type of claim for compensation, of whatever nature, will be recognized under the R/C vehicle 90 Day warranty .

If you are having difficulty operating the R/C Vehicle or cannot operate it safely, you should cease operation immediately and contact Customer Service to arrange for Tamiya America, Inc. to carry out the appropriate action in accordance with the warranty.

**Please Note:** It is impossible for Tamiya America, Inc. to replace all or any portion of the R/C vehicle that has been worn out, damaged due to accident, abuse, and/or improper operation. No claim whatsoever will be accepted for maintenance costs of the R/C vehicle since they do not arise from factory material or workmanship.

Any unauthorized modifications or repairs to the R/C vehicle immediately voids all warranty rights.

**Disclaimer:** Tamiya, Inc. or any of its subsidiaries shall not be liable for any loss or damage, whether direct, or indirect, special, incidental or consequential, arising from use, misuse, or abuse of its product and any accessory or chemical required to operate.
