# JEEP WRANGLER GRILLES

Xprite aftermarket grilles are an inexpensive way to give your Jeep Wrangler a more aggressive and appealing look. Our grilles are made of a High Quality ABS plastic that is very durable, making it not easy to chip or crack. They come in a unfinished matte black color and ready to be sent to the paint shop. Browse through our LED lighting to complete the offroad look and functionality that all desert runners desire. With multiple styles available, you are certain to find the right look for your JK. Choose between mesh and no mesh designs.

Xprite's patented NitePad® premium sleeping pad is designed specifically to fit the 2007-2018 Jeep Wrangler JK (4 Door) & 2018 JL back space. This foldable cushion can be strapped to the rear seats when not in use and folds down within seconds. It provides convenience and comfort by turning the back of your Jeep into a nice little resting spot. The colors are designed to match your Jeep's factory leather interior. Whether your trekking or camping, this is a great addition to any outdoor activity.

SUPER BRIGHT COB TECHNOLOGY

### FUNCTIONS

**BLOCK #1&2 & #7&8: RUNNING / BRAKE / TURN SIGNAL LIGHTS**  
Red running light with brake light controlled separately. Left and right turn signal with individual wires.

**BLOCK #4 & #5: STROBE LIGHTS**  
Independently control strobe lights. 7 different flash patterns. Control patterns with 2nd switch, hold down for 3 seconds to turn strobes on and off.

**BLOCK #3 & #6: SOLID LIGHT**  
Solid light can be used as reverse or accessory lighting also with independent wiring.

**LED BLOCKS**  
Each block is designed with COB lighting, which is multiple LED chips packed together as 1 lighting module. Giving you more brightness and longevity.
